HEADMASTER'S MESSAGE

We are living in a wonderful age. We accept that fact quite calmly but it does not do us any harm if, now and again, we pause and reflect why it is a wonderful age. Tremendous progress has been made in the fields of science and technology. Man has conquered space. Achievements which were dreamed about by fiction writers a few years back are now accomplished facts. It is little wonder that every nation is becoming increasingly conscious of the truth that its people must be well educated. Coloured races which were classed as "backward" a short time ago are now reaching out and taking every opportunity to bridge the gap between ignorance and knowledge — more advanced peoples are probing unknown fields in the quest for more and more knowledge and understanding.

Australian educationalists are alive to the fact that there must be a new deal in education and we have entered an exciting new era in educational progress. Right throughout the State new and better buildings are being occupied by youngsters who live in areas which have developed at an amazing rate. These new buildings are pleasing in design and incorporate facilities and accommodation which were undreamed of even twenty years back. Assembly Halls have received special attention and at Wollongong High we are eagerly awaiting the plans of the Hall which is going to mean so much to the educational development of students of this School. Playing fields have been recognized as necessary amenities for schools and much planning and the expenditure of great sums of money have changed the physical environs of many schools in the State.

Physical changes, however, are but one aspect of the exciting new era in education. New ideas have been born and 1962 will see, to a limited extent, the implementation of the Wyndham Report. Those of you who are pupils today, will continue your schooling until you sit for the Leaving Certificate Examination at the end of your Fifth Year, but those pupils who enter the School in 1962 will be required to attend classes for a period of six years if they wish to matriculate or enter a Teachers' College. The additional year of schooling should have very beneficial effects for those who aim at pro-

fessional careers. Other important aspects of the new scheme — particularly in regard to the Core Curriculum and the provision of Electives — will become familiar to students and parents as the recommendations of the Report are introduced into the Schools. I cannot enlarge on these ideas here but I want you to remember that all progress depends on dissatisfaction with the "status quo" and this Report is full of new thoughts about education that must result in progress which will benefit the secondary students of tomorrow.

We are all familiar with television and television programmes. In the years to come television will play a very important part in the educational programme of every school. It is a pity that so many sessions that are presented today are concentrating on violence, crime and the ugly side of life. There are, however, many excellent programmes and I hope that you are learning to discriminate and are selecting for viewing the really worthwhile presentations. Did you watch "The Outcasts", "The Merchant of Venice", some of the "University of the Air" series, some of the "World Artist" presentations and so on? If you did, you must have felt an inner satisfaction that is surely lacking when you watch the anti-social exploits of some of the morons of a particular nation. Remember, however, that whilst you are at school the important task is to keep television in its place. You should use it wisely and not allow it to separate you from your studies — studies which are an essential part of an educational scheme which is important for you and this country. Television is one feature of this wonderful age in which we live, and I believe that, if wisely presented and used, it will prove of inestimable worth to your educational progress.

Finally I would like you to think about the place of this School in the scheme of things. We occupy an important position in what is termed the Educational Area of Wollongong. In this area two High Schools, a Technical College, a Teachers' College and a University will exist side by side. Surely a unique Area! Because of the site of our School at the corner of Prince's Highway

and Lysaght Street we must always remember that the appearance of our grounds and building is of great importance. First impressions are lasting impressions. We have, however, a much more important role to play. We must send scholars to the tertiary institutions—scholars who will demonstrate that they have been well trained and educated and who will enter some of the many fields of research — research which will make the years to come even more wonderful than this exciting era of today.

THEY SAID

During a school year we listen to many fine speeches by pupils and visitors, and it is not possible to publish them in full. However, often a phrase or thought served to remind us of the speaker. These are thoughts that appealed to us.

FAREWELL TO FIFTH YEAR, 1960

Cheryl Howe (1A): "Now it is their turn to feel like the 'babies' as they timidly enter the examination room, while we First Years go quietly about our business feeling a little sorry for them."

David Reeks (2A): "Fifth Year are the big fish in a little pool, but they will soon become the little fish in a big pool. Good swimming, Fifth Years."

Jennifer Smith (2A): "A team is encouraged if the spectators are there on its side. Fifth Year has the support and encouragement of Second Year — not the noisy support of the football field but the hushed whispers outside the Hall."

Graham Thompson (Boys' Captain): "I feel like a man on the gallows waiting for the trap to fall and trying to think of words to rank with those great sayings by men in a similar position."

Lorraine Weine (Girls' Captain): "This is a wonderful School. Treat it with kindness and care. Give it your best and it will give you its best."

Bill Davies (Vice-Captain): "At a football match I overheard a spectator say 'Look — black and green! Watch them; they're good!'"

Mr. J. E. Lenehan: "We want you to look to the skies — to aim at the stars — but we do not want you to forget the little things."

Girls, do not forget to become lovely women. Do not lose your femininity. Learn how to sew; learn how to cook; learn how to meet people. Be neat in your dress; learn how to speak pleasantly and correctly.

Boys, be masculine but remember the little things. In your contact with the

opposite sex remember their right to courtesy and consideration. Your masculinity will not suffer if you show you understand what is meant by the word 'chivalry'."

SPEECH NIGHT, 1960

Dr. Claire Isbister (Guest Speaker): "Girls must be better educated than boys. Children first learn their speech from their mothers. The children get their introduction to education from their mothers. It is the mothers who encourage the children in early years of their schooling."

PREFECTS INDUCTION, 1961

Ross Wilson (2B): "Last year, as First Years, we wandered around, wondering what we could do wrong next. We were glad to have the Prefects to correct us."

Sheryll Towns (3A): "You Prefects will have the satisfaction of having done a really good job for a good school."

Peter Kell (4A): "1960's Fourth Year representatives claimed that 1961 would be Wollongong High's best year. We Fourth Years challenge them to make good their boast."

Jan Hurley (5A): "We in Fifth Year have had the opportunity to see our new prefects in all aspects: academic work, sportsmanship, service and romance."

Gemette Reid (Girls' Captain): "The solemnity and dignity of this ceremony have impressed upon me and the rest of the Prefects the honour of the position. Despite our boasts we are now very humble and yet proud — not for personal glory and personal satisfaction, but for the honour of this, our School."

Ross Johnson (Boys' Captain): "In attending a School like this for five years we incur a debt. We, as Prefects, have been given the opportunity to repay this debt."

His Worship the Mayor, Alderman A. Squires: "The badge of authority sometimes weighs a little heavily. People expect a lot, sometimes more than we are prepared to give, but I feel that these young people will measure up to your expectation."

Captains and Vice-Captains

Ross Johnson, Gemette Reid, Anne Rose, Kevin Delaney.

ROSS JOHNSON (Boys' Captain).

Ross came to us in Second Year from North Sydney Technical High and Lindfield Primary and has distinguished himself by his service to the school and to his House, Keira. In summer he plays First Grade Cricket and in winter is manager for the First Grade Rugby Team. Ross's scholastic results are sound. He plans to take a Degree Course in Commerce when he leaves at the end of the year.

KEVIN DELANEY (Boys' Vice-Captain).

Kevin, who is from Coniston Primary, is a member of Bass House. He hopes to become a Mathematics Teacher after gaining his degree. Kevin plays Basketball in summer and Football in winter. In addition he is a very active member of the Cadet Corps of which he is Cadet Adjutant, the highest rank that a student can hold in our corps.

GEMETTE REID (Girls' Captain).

Gemette, a member of Bass House, is from Wollongong Primary and has proved herself to be a very capable school captain. She has taken a very active interest in amateur dramatics, debating and public speaking. In 1960 she was Superintendent of the School Banking Service and is now the assistant leader of the I.S.C.F. Gemette's sports are squash and tennis. When she leaves school she plans to take a degree in Arts. We feel sure that her excellent academic ability (average 80.7% in the half-yearly examination) will enable her to fulfil this ambition.

ANNE ROSE (Girls' Vice-Captain).

Anne, who came from Wollongong Primary, is Captain of both Keira House and the "A" Hockey Team, which she led to victory in the inter-zone final. In the half-yearly examination she came second in the year with an average of 84.4% and certainly has the ability to succeed in her chosen profession — Pharmacy. Anne has been active in all school functions, especially the I.S.C.F. of which she is Assistant-Secretary. Marion Braithewaite (4A).

Induction of Prefects — 1961

BACK: Pauline Dickinson, Gail Corbett, Judith Bunning, Kirsten Ommer, Willam Koppe, John Brown, John Armstrong, Graham Clunas. **MIDDLE:** Carla Lambeck, Jeanette Eddy, Carole Smith, Linda Hutchings, Brian Hudspeth, Robert Montgomery, Chester Meurant, Michael Peedom, Kevin Wheway. **SEATED:** Carole Thomas, Joyce Epps, Anne Rose (Vice-captain), Gemette Reid (Girls' Captain), Mr. J. E. Lenehan (Principal), Mr. A. W. Smith (Prefects' Master), Ross Johnson (Boys' Captain), Kevin Delaney (Vice-captain), Kevin Leamon.

"We shall strive for Nobility of Character and for Moral Courage to do what is right and just."

These words were spoken by our new Captains and Prefects as they solemnly pledged themselves to service.

During his address, in which he introduced to the School the new Captains and Prefects, Mr. Lenehan emphasized the qualities which the Prefects and Captains must have — scholarship, sportsmanship, service and moral courage.

The Prefects then repeated the School Pledge and a prayer for divine guidance was offered by Reverend R. Gray as the Prefects received their badges of office and signed the Register.

Lesley Gillmore sang the solo: "Blue Danube Dream".

Mr. Skevington then explained the duties of the Prefects within the School

and the representatives of each year congratulated the Prefects on their election.

Year representatives were: Jan Hurley (5th Year) — Peter Kell (4th Year) — Sheryll Towns (3rd Year) — Ross Wilson (2nd Year) and Sally Hopkins (1st Year).

Civic congratulations were offered by the Mayor, Alderman Squires; Department of Education congratulations by Mr. S. Wauchope; and P. and C. congratulations by Mr. M. Peedom.

During the service, Mr. Lenehan bestowed on the Mayor, the highest honour the School can give — that of Honorary Prefect and life-long membership of the Fraternity of Prefects of Wollongong High.

Apologies were offered on behalf of Mrs. Squires, Mr. Clayton, Mr. Sheil and Mr. Buchan.

16th Annual Play Day

The 1960 Play Day was held in the Town Hall Annex on Monday, 12th December, and 11 plays were presented. The judges had a difficult task in choosing five of these plays to be presented at the evening performance.

Although attendance at Play Night, 13th December, was rather disappointing, the night's entertainment was of a very high standard.

Each year we expect a first-class performance from Fourth Year, and their play, "Two Gentlemen of Soho" certainly did not disappoint us. The play was an unusual experiment, "a shameless attempt to uplift a modern theme by clothing it in Shakespearean language".

The audience appreciated the humour of the mock-Shakespearean dialogue, and of the tragi-comic ending in which the stage was strewn with dead bodies.

The players are to be congratulated on the courage they showed, for, although the lights failed during their play, they continued by torchlight, and did not allow this handicap to impair their performance in any way. Congratulations, then, to Chester Meurant (who nearly stole the show as "Plum"), Joyce Epps ("Laetitia"), Gemette Reid ("Duchess"), Suzanne Smith ("Topsy"), Richard Jordan ("Withers"), Robert Haebich ("Waiter") and Bill Koppe ("Sneak").

"The Monkey's Paw", by class 3A, was in a more serious vein. This play is the tragic story of an old couple who lose their only son through the magic of an old monkey's paw charm. The play called for fine acting ability and this was shown by all the cast of: Nick Cowdery, Peter Kell, Ross Spence, Anne McCarthy and Graham Applegate. At the conclusion of Play Night, two prizes for the Best Actor and Best Actress respectively, were both awarded to performers in the "Monkey's Paw". The prize for Best Actor, donated by the School, was awarded to Nick Cowdery and that for Best Actress, donated by Mr. Brian Dunkerley, was awarded to Anne McCarthy.

The second year plays proved well worthy of selection. 2B's "Queer Street", was a humorous play in which Graham Godden played a discomfited burglar forced to entertain a policeman, Max Fischer, who unexpectedly turned out to be a burglar too. Other players were Beverley Sedgwick, Fay Pearl, Wayne Felton and Robert Thistleton.

"Money makes a Difference" was the theme of 2D's humorous play with a cast

of Kip McGrath, Pamela Poel, Norman Jones, Gairden Cooke and Alan Thomson.

"The Trial of Toad", presented by 1D was very well performed. Ian Walton (Toad), Richard Tubman (Usher), Ian Rooney (Mole), Paul Russell (Badger), William Todd (Water-Rat), and Barry Pope (Judge) were particularly noteworthy, and they had a strong supporting cast. The animal costumes were very ingenious.

Our sympathy goes to all those whose plays were not selected. 1A's "Magic in a Mirror", 1B's "The Gascon Ring", 1C's "The Doubtful Misfortune of Li Sing", 2A's "The Quack Doctor" (in which Greg. Urwin and Jennifer Smith were particularly good), 2B's German play "Till Eulenspiegel goes to Market (specially written by Mr. Anderson) and 2C's amusing play "The Crimson Stain" were all worthy of selection.

STAFF CHANGES

The end of third term, 1960, deprived the School of the following members of the Staff: Mr. N. Quinlan (Deputy Headmaster, Port Kembla High School); Mr. N. Pound (English Master, James Cook High School); Mr. J. Dunn (English Master, Dapto High School); Mr. R. Gadd (Senior Maths Asst., Port Kembla High School); Miss H. Kent (Narrandera High School); Miss M. A. Cook (Bulli High School); Mr. P. Dempsey (Corrimal High School); Mrs. E. Penrose (Resigned); and last, but not least, Mr. J. Bingham, who retired in preparation for a 12 months' overseas tour.

The beginning of 1961 found us welcoming Mr. J. C. Argent (Casino High School); Miss J. E. Bowman (Sydney); Mrs. G. L. Cunningham (Katoomba); Miss N. Kilminster (Sydney); Miss LeMessurier (Taree High School); Mr. B. D. Roberts (New England University); Mr. R. Stevenson (Sydney University); Mr. R. Suturs (Newcastle); Mr. N. Tanner (Sydney University).

The end of the first term saw us congratulating Mr. T. Horner on his appointment to the Wollongong Branch of the University of N.S.W. as Lecturer in Mathematics and Mr. J. Hodgson on his appointment to a Lectureship in History at Wagga Teachers' College.

Their places were taken by Mr. N. de-Mestre from Homebush High School and Mr. J. S. Laidlaw from Gunnedah.

ANZAC DAY—1961

As is usual, the School gathered in the Hall on the 24th of April to commemorate this most important occasion. We were most fortunate in having as our guest speaker, Mr. W. Dyer, a former President of the Wollongong Legacy Club and a prominent member of the Parents and Citizens' Organisation, who reminded us of the memorable story of Gallipoli. Members of the Cadet Unit: Michael Lawler, David Overington, Graeme Dunn, Paul Buckland and Ian Fevre mounted guard over the Memorial Table at the foot of which the School Captains: Ross Johnson and Gemette Reid laid a wreath. "A Voice" was supplied by Ross Worrall and the recitation "For the Fallen" by Richard Jordan. Particularly noteworthy was the singing of a specially prepared Anzac Anthem by a group of 5th Year girls — Carole Smith, Edla Vasila, Joyce Epps, Linda Hutchings, Sheila Robson, Margaret Carr, Angela Thexton, Pauline Dickinson and Judy Bunning. Cadet John Knight played "The Last Post" and "Reveille".

Margaret George (4A).

ANZAC DAY ADDRESS

We feel that Mr. Dyer's address on Anzac Day was so memorable, that we have asked his permission to publish part of it and we express our regret for not being able to publish all.

"There have been many occasions since that battle at Anzac Cove when men of the Commonwealth Forces have carried out deeds of great courage and daring in the service of their country, both in the remainder of the 14-18 war, in the 39-45 war and in the Korean conflict, deeds such as that incredible stand taken by the "Rats of Tobruk", or the almost impossible advance carried out over the Kokoda trail in New Guinea, deeds which if compared act by act with those of the original Anzacs would have no doubt compared favourably with the valour and devotion to duty shown there.

Why then does this Gallipoli Campaign carry such tremendous significance for the people of Australia and New Zealand? Why has this day been observed by the Commonwealth year after year, as an occasion of National importance? Why do we observe "Anzac Day" instead of "Tobruk Day" or "Kokoda Day" or a day bearing the name of some other such heroic

action? Why? Because it was at Anzac that Australia and New Zealand became of age.

In the life of every human being various stages are attained. Firstly the birth of the child and the nurturing or mothering which is associated with its early days; there is the naming of the child when it is brought to be distinguishable from others; there is the schooling or education, where it learns the difference between right and wrong and attains the ability to think for itself and to develop its God-given powers; then there comes a time in life when the child is a child no more, but emerges as a man or woman — a time not set down in the attaining of an age in years, but an achievement through experience, an experience which may come with academic success after years of study, or maybe through the pain and tears of anguish when something greatly desired has been denied, or through the results of some deed of devotion or service where self has been put aside and another's needs come first.

So, then, it was at Anzac. For almost one hundred and fifty years Australia had progressed along its path of development; its growth had been a difficult one for its birthright had, attached to it, a stigma which had never been fully erased, but gradually, through the faith and courage of a small number of pioneers, Australia was emerging as a country of promise and of enterprise. With the declaration of war in 1914 Australia sent an armed force to assist the Allied Nations in their fight for freedom, a force not large by the standards of other countries, but of the order to be expected by one so young in years. This force took part in the various theatres of war to which it was directed, carrying out its services, where required, with courage and devotion, and then on the morning of the 25th of April, 1915, came Anzac, and with Anzac came a holocaust of bloodshed, pain, courage, and devotion, with alternating victory and defeat, such as the world had never before known, and through the sacrifice and valour of those sons of Australia and New Zealand, coupled with the stoic suffering and anxiety of their loved ones at home, Australia became of age and the world looked on her in a new light, looked on her as one that could proudly take her stand among all others. Of the Gallipoli Campaign King George V said, "At Anzac the Australian and New Zealand troops indeed proved themselves worthy sons of the Empire".

Let us then, year by year at this time, remember with pride and gratitude those valiant men who, through their deeds at Anzac, bequeathed to us our heritage, together with all those who have since served and suffered in the cause of freedom and democracy, setting for us, and all those who follow after, a standard to strive at all times to attain, in the example they have given of courage, service and sacrifice."

~ Thoughts of Anzac

(Written by Mr. Epps, and sung by Joyce Epps and a group of 5th Year girls on Anzac Day)

*Our thoughts again we turn to Anzac,
Remembering those with hearts so free
Who answered call of King and Country
To fight for peace and liberty.*

*They did not know what lay before them
But anxious were to do their part.
Their deeds of bravery and of valour
Bring homage from each thankful heart.*

*On battlefield, with comrades fallen,
Undaunted still, their courage high,
They forward pressed, with thoughts of
freedom
And loved ones, waiting, ever nigh.*

*Our hearts are sad, and filled with
memories
Of valiant men who fought and died.
We'll meet again on that great morning
When earthly tangles are untied.*

*Eternal God, our great Creator,
Be pleased to grant this world release.
Let men and nations join together
In love, in unity and peace.*

~ ACADEMIC DRESS

On Induction of Prefects' Day and on Speech Night, members of the Staff and visitors wear academic dress consisting of gown, hood with colours denoting the degree and occasionally a mortar-board or cap. Perhaps you have wondered about the origin of this academic dress.

This dress, like that of judges, was of ecclesiastical origin. The robes worn in the earliest times at Oxford and Cambridge were part of the dress of the monks and priests. The hood was a lay garment, common at one time to all classes and both

sexes as a convenient means of covering the head. However it was retained in a specialised form by the various faculties as an Academical distinction.

The gown was frequently fur-lined or at least trimmed with fur, but the use of more costly furs was forbidden to all those below the rank of a Master. Bachelors and students had to use "budge" (common fur or black lambswool). The robes of Masters had to be flowing and had to reach the ankles; and it was they who had the early distinctive dress that could be called truly academical.

In the early 14th Century, Doctors began to adopt scarlet for their hoods and later for their robes and by the 16th Century the original sombre black was being retained only for Masters of Arts and Bachelors of Divinity.

The hood was originally worn by all scholars and evidently had no academical significance. Sometimes a cap was also worn, the hood being thrown back as it is today. In Tudor times at least three varieties of headdress were in use:

- (1) The round velvet cap for graduates in secular faculties — it still survives as part of the full dress of doctors.
- (2) The square cap adopted in 1520 in imitation of the University of Paris.
- (3) A round skull cap with a little point at the crown. This was the "pileus" (the Latin name for the felt cap given to freed slaves, signifying liberty) and thus was worn as a cap of dignity.

The Handbook of each University shows the colours which distinguish the various faculties. The University of N.S.W. lists the following edges to the hood for each faculty.

Bachelor of Architecture: Brick-red silk edge.

Bachelor of Arts: White fur edge.

Bachelor of Commerce: Cream silk edge.

Bachelor of Engineering: Maroon silk edge.

Bachelor of Science: Amber silk edge.

For the degree of Master in each Faculty the hood is lined with the appropriate colour. A Doctor of Philosophy wears a scarlet hood lined with black silk.

At Sydney University the wearing of the shorter, undergraduate gown within the precincts of the University is no longer compulsory but it is worn at evening meals and official functions within the Colleges.

The story is told that the first lawyers were not allowed to accept fees for other services in court. However, if a client put money into the pocket formed by the hood, the lawyer could not be expected to know what was going on behind his back.

P. & C. NOTES

OFFICE BEARERS, 1961 —

PRESIDENT: Mr. H. Peedom.

HON. SECRETARY: Mr. G. Brickwood.

HON. TREASURER: Mrs. A. J. Ward.

For some time it was felt by the parent bodies that sufficient attention had not been paid to the girls in the School nor sufficient recognition given to their many efforts and achievements. For this reason we were happy to assist in bringing Dr. Clair Isbister to the School to give the Occasional Address on the occasion of Speech Night, 1960.

Her address was thoroughly enjoyed not only by the girls but by all others present and we are hopeful that a lady speaker of her quality will be available and acceptable on a future occasion.

For the same reason we are happy to report that negotiations with the Main Roads Board have succeeded in making available to the School, at least on a temporary basis, the area of vacant land on the North Western corner of Prince's Highway and Lysaght Street. It was felt that the area was eminently suitable for use as a Hockey ground. It has now been cleared and graded and with very little extra work should be available for use by the girls both for Hockey and other sports from the first term in 1962.

Following the experience of last year the School Ball was again conducted in the Assembly Hall and continued to be a complete social success. As a result of being in the Hall the financial return to the Association and through it to the School was better than in previous years and the behaviour of students could hardly be improved.

The only disadvantage which has been found to exist in the running of the School Ball in the Assembly Hall is the fact that supper is served with slightly more difficulty in the Home Science Block. Notwithstanding this difficulty the serving of the supper, which was in the hands of the Ladies' Auxiliary, occupied only a minimum of time and was undoubtedly enjoyed by the students.

This magnificent effort on the part of the Ladies was only in accordance with the high standard maintained by them in all their activities. After several years in Office Mrs. Bright relinquished the position of President of the Auxiliary and this position was taken over by Mrs. Gole. Our appreciation should be expressed to the Ladies and particularly to Mrs. Gole for the way they have co-operated in all

activities of this Association in respect of which their co-operation was sought. As space does not permit a full recital of their activities a separate report will appear in this Magazine.

Although full data as to the Department's intention so far as the School Grounds are concerned is still not available, an area which, it is understood, will provide two (2) sports fields for boys' sports and which is jointly available for this School and Keira Boys' High School has been commenced on the area South of the old tramline. Drainage from the new University Building threatened to flood part of the School's sports area, but this was quickly remedied by a permanent drain when the attention of the Education Department was drawn to the position.

As a result of the installation of this drain it was hoped to proceed with the extension of the existing football ground. However, disquieting reports, indicating that our existing ground may be interfered with, have been received and clarification is being sought from the Education Department.

In other respects the Grounds Committee has carried out its work with its customary efficiency and enthusiasm and thanks are expressed to parents, teachers and students who assisted at working bees.

As in previous years your Association was represented at the School Market Day, Induction of Prefects Ceremony, Anzac Day, Empire Day, Farewell to Fifth Year and Speech Night.

All other sub-committees have functioned successfully. As in previous years the efforts of the Ball and Social Committee contributed to the smooth operation of the arrangements for the School Ball. After a Social success last year the P. and C. Ball was held again this year with even more satisfactory financial and social results. It is felt that this Ball is now a regular function associated with the School. Lectures and films arranged by the Welfare Committee have added to the enjoyment of members of the Association who regularly attend meetings.

As in former years we hasten to congratulate the teachers and pupils on the high level of their scholastic and sporting achievements.

The Mannequin Parade

A large-size silhouette of a lady, dressed in an outfit of artificial water-lilies and surrounded by drapes and berries, formed the backdrop for the parade, held on the afternoon and evening of Tuesday, 8th August, 1961.

Girls from all classes modelled garments made in needlework lessons during the year. Garments ranged from aprons to casual and sportswear, from knitwear and night wear to stylish frocks and tailored suits.

Gemette Reid compered the parade and during the programme Lesley Gillmore rendered a sweet solo and Brenda Lane and Cheryl Aldis entertained us with a piano duet.

The climax of the parade was the modelling of dresses made by Fifth Year girls for the Leaving Certificate. The parade was drawn to a conclusion when Jennifer Farmer, from Fifth Year, extended a vote of thanks to Gemette Reid, Miss Best and to David Jones and Co. for the loan of school uniforms for the parade.

Congratulations must go to the girls themselves for their co-operation in parading and making the garments so carefully. Maureen McGoldrick (4A).

LADIES' AUXILIARY

PRESIDENT: Mrs. R. Gole.

HON. SECRETARY: Mrs. B. Dickinson.

During 1961 attendance of members at meetings has been most encouraging and the year has seen the introduction of Guest Speakers at two meetings. Mr. Ivan Englund gave a most interesting talk on Pottery and Mr. J. Bentley spoke about the Arab Question.

A Gulbransen piano and an electric kettle were purchased and donations made towards the Fifth Year Dinner and "The Gleam".

Included in the Auxiliary's activities were an illustrated talk on colour by a representative from the British Paint Company, two Jumble Sales, providing supper for Parents and Teachers after Speech Night, 1960, and also after the February, 1961, Parents and Citizens' Association Meeting, competitions and House Parties. Supper at the Annual School Ball was prepared and served by the Auxiliary; also lunches and snacks at the Annual Athletics Carnival.

The Office Bearers would like to take this opportunity of thanking those ladies who made donations for competitions throughout the year and Mesdames Brown, Ring and Gole who held successful functions in their homes.

A most gratifying bank balance has resulted and when suitable carpet for the front hall becomes available, it will be purchased as the Auxiliary's project for 1961.

HON. TREASURER: Mrs. J. (P. Brown.

Our Christmas Party for 1960 was a great success and we extend a warm welcome to all past and present members to attend our party on 22nd November, 1961.

Our thanks also to Mr. Lenehan and members of his staff for their co-operation and assistance on many occasions and to Mr. Peedom and members of the Parents and Citizens' Association for their encouragement during the year.

"TIME WELL SPENT"

This year the members of 2C and 2D were very fortunate to be able to visit the Commonwealth Bank during Education Week. We all had a very interesting afternoon as we saw the many different services which the bank provides for our conveniences.

One of these was the safekeeping of our money in the huge strong vaults below. It was a GREAT experience for some of us, because we were able to hold, for only a short while, large amounts of money amounting to £15,000. On the other hand it was heart-breaking to see hundreds of pounds being cancelled in the cancelling machine.

It was a well-spent two hours and we know that what we were shown and everything we were told, will help us with our work in the future.

COMMONWEALTH DAY

As has become customary in the School, Public Speaking was the feature of our British Commonwealth Day Celebrations held on the 24th of May.

First year representative, Steven Stringer, spoke on "The History and Meaning of Commonwealth Day". Pauline Day from second year discussed "The Peoples of the Commonwealth — a multi-racial Union", in such a praiseworthy manner as to win her the junior section of the competition. "The individual nations of the Commonwealth seek self-determination within the framework of the Commonwealth" was the topic for Jennifer Smith of Third Year.

First speaker in the Senior Section was Peter Kell, discussing "The Effect of Immigration upon the Commonwealth Countries". Chester Meurant (Fifth Year) who spoke on the topical question — "What is the significance of South Africa's withdrawal from the Commonwealth?" was the winner of the senior section.

The songs "Land of Mine" — "Song of Australia" and "Advance Australia Fair" were sung by the School at intervals in the programme. Our ever-willing and dependable adjudicator, Mr. H. Peedom, summed up his opinions and announced the results after which prizes were presented to the respective winners. In conclusion, our School Girl Captain, Gemette Reid, moved a vote of thanks.

Margaret George (4A).

MARKET DAY

Nett Total £619

1961's Market Day saw the record sum of £619 raised and saw Kembla defeat Bass for the position of Champion House. Bass led in the Popular House Competition but Kembla did best in the selling of goods and in the decorating of its stall.

Against the background of our well-kept lawns the decorated stalls looked very attractive. It is hoped that next year we shall have our own portable stall-frames so that the ingenuity of our students will have even greater scope.

Gross amounts raised were: Kembla £198 — Bass £194 — Flinders £123 — Keira £120.

Decorated Stall: 1, Kembla — 2, Flinders — 3, Keira and 4, Bass.

SCHOOL BANKING SERVICE

For four years our School Bank has been efficiently conducted by the Fourth Year

Students. This year has proved no exception and we appreciate the help of Kay Tripet, Suellen Hough, Lesley Gillmore, Angela Genero, Carol Wells, Jeanette Buckle and Caroline Webb.

We well may take an example from the thrifty junior members of the School who consistently deposit various sums of money. These students are saving for the future and find Room 1 on Tuesday the most popular place to hoard their pennies or pounds.

Sylvia Hockey,
Cecily Burton — Superintendents.

OUR SCHOOL GROUNDS

Now that the work on the Teachers' College has begun it is possible for us to visualise more clearly the huge educational area planned some years back. In a few years' time, as each institution improves its grounds by planting trees and lawns and making playing fields, the view as one descends Mount Ousley Road, or travels along the Highway after the Mount Ousley Road, will be a magnificent one.

In order, from the main highway, will be Wollongong High, Keira High, Wollongong Technical College, the University of N.S.W. (Wollongong) and the Teachers' College.

We feel that Wollongong High, as shown by the photo of our School, already presents an impressive appearance. We are pleased to report that during the year the programme of improvements, begun by Mr. Bingham, has been continued by Mr. Hunt. The main aim has been to make the grounds easier to look after and a number of loads of filling have been used to level rough areas.

The new access road and concrete apron to the North of the Wash-Block have improved the appearance of the grounds and grass has been planted in adjacent areas.

Members of the Wollongong Garden Club selected a number of shrubs, including species of Prunus and Callistemon and these have been planted along the boundary on the Highway side. When these flower and when our fence is completed, the appearance of our grounds should be even more pleasant.

By 1962 the new playing fields should be in operation. Much effort has been expended by the boys of the gardening team, to whom the School is grateful. However, it is only with co-operation by all who use the grounds, that they can be maintained in an attractive condition. An appeal is made to all pupils and parents to co-operate in making our school a worthy part of an educational showpiece.

Sanders' Cup Public Speaking

PUBLIC SPEAKING AND DEBATING — 1961

Finalists in the Sanders Cup Public Speaking.

On Monday, 7th August, 1961, the finals for the Sanders' Cup for Public Speaking were held in the Hall. Fourth and Fifth Years, as well as many parents who were visiting the School for Education Week, attended.

Mr. J. E. Lenehan thanked Mr. H. Peedom and presented him with a book for his many years of giving his time to adjudicate speeches and debates at the School. The competition was then handed over to the Chairman, Ross Johnson.

Anne Rose spoke on the topic "Women are gradually taking over control of affairs, because men are too lazy". In this speech she encouraged women to make men do the work they should do by neglecting to do it themselves.

Kevin Leamon spoke on the topic "We should abandon luxurious living and return to the Greek ideal of plain living and high thinking".

"Parents are hypocrites. They tell their children to be honest but are themselves consistently and deliberately dishonest," was the topic which Richard Jordan forcefully dealt with.

Joyce Epps spoke on "Democracy means Freedom to Starve"; Chester Meurant dealt with the topic "Gadgets have become the Masters of Men"; Jan Hurley spoke on "This is a Crazy World", and Gemette Reid spoke on "Prejudice, not Common-

sense, governs the Minds of Men".

The adjudicator, Mr. Peedom, declared Kevin Leamon the winner with a total of 79 points. Gemette Reid received 78 points; Jan Hurley 77; Richard Jordan and Chester Meurant 76; Joyce Epps 74 and Anne Rose 72.

DEBATING

It is regretted that the Rotary Shield Debating Competition for girls, was not held as there were many keen debaters who would have liked the opportunity and pleasure of inter-School Debating; and also the opportunity to retain the Shield held by the School for the past few years.

INTER-HOUSE DEBATING

Inter-House Debates within the classes, held during the Monday morning Speech Period, resulted in Bass House regaining the title as Champion Debating House. Points were: 1, Bass (45), 2, Keira and Kembla (43) and 4, Flinders (34).

INTER-CLASS DEBATING

The Inter-Class Debates resulted: First Year 1A and 1B equal; Third Year 3B; Fourth Year 4C; Fifth Year 5A. The Second Year competition had not been completed at time of printing.

FAR TOO MANY CARS

The other day, as I was looking for something, I came across a child's drawing which, with some difficulty and amazement I recognized as my own, done when I was about nine years. The drawing was entitled "My Car Heaven", and it illustrated my idea of what would happen to a car after it "died". On looking at that "masterpiece", I was flooded by recollections. One of them stands out very vividly still: If the souls of people after they die go to heaven and become angels, then the "souls" of cars surely must go to a special "car heaven". And I tried to figure out what would happen if the "heaven" became too small for all the cars going there.

Now this sounds like childish nonsense, and at first I tried to laugh it off as such. But then it set me thinking, and I recognized the idea that was behind my childish fancies. There are far too many cars in the world today. And at the rate they are being produced now, there will be more cars than there are people in no time.

The car was invented as a means of transport. As such, only the rich people could afford to have one at first, and so it became a luxury. As time went on and people realized that cars were very useful commodities, they ceased being a luxury and became a necessity for people, who had to travel a great deal. Gradually the Great Invention sank to the status of toy of those fools, who feel that a car raises their social standard. So now we regard it as a convention.

If you take a look at any town or city in any part of the world, you see cars by the million. Everyone, young or old, male or female, is driving a car. Cars are parked alongside the kerb as tightly as sardines in a tin. If you do not own a car nowadays, you are considered a failure, a social outcast.

So, returning to my drawing of eight years ago, I must admit, that children are very logical, that they are highly observant, and that they often stumble onto truths without knowing it, while we adults are too blinded to realize, that they have found what we are seeking.

Renate Schreiber (5A).

AGAIN AND AGAIN

Have you noticed with half-hour T.V. Westerns that, as it takes too long to film the whole story, the sheriff always corners the villain in some rocks to shoot it out and let the viewers know at the same time how the crimes were committed? Here is an example.

Z O O O O I I I N N N G G G G

"You're a good shot, Murphy; you just missed me. But why did you shoot that ranch-hand in the back?"

Z O O O O I I I N N N G G G G

"You can't prove it was me, Marshall Dill."

Z O O O O I I I N N N G G G G

"Oh, yes, I can. You only wounded the ranch-hand and he identified you as the assailant. But did you shoot my Deputy also?"

Z O O O O I I I N N N G G G G

"Well, I may as well tell you. I killed him."

Z O O O O I I I N N N G G G G

"What I'd like to know is why you shot him."

Z O O O O I I I N N N G G G G

"I shot him because he saw me rob the bank."

Z O O O O I I I N N N G G G G

"So it was you who robbed the bank. Then you must have shot the bank teller and his daughter."

Z O O O O I I I N N N G G G G

"I sure did, but it's not going to help you, because you'll never get out of here alive!"

Z O O O O I I I N N N G G G G

"Was it you who robbed the stage coach?"

This goes on until the viewers know how everything happened and then the villain is captured. This is very economical for the film company, but rather boring for the viewers.

Elegy of the Old Bourke Hat

Have you or a member of your family had a hat or a piece of clothing which has become almost a family "heirloom"? On the burning of such a hat, Sondra James (3B) has contributed the following elegy and epitaph:

As the flames creep closer and it closes its eyes,
It thinks for a moment, before sadly it dies,
Of its fun in the paddocks, on the plains, on the horses,

Of its bird's eye view of the green golf courses.
It remembers rain, storms, heat and dust that is red

And it soaked up the sweat as it sat on your head.

But these happy years have sped swiftly forever,
It's not like a young colt you can rope, ride and tether.

For it's old and it's tired, its service rejected —
A smart new one in its place was selected.
The old one is hurt with its nose out of joint
With a tear in its brim and a hole in its point.
As flames slowly consume it, it utters no cries,
And as brave as a warrior, it quietly dies.

Epitaph

Here lie the ashes of a grand old friend.
Loyal and trustworthy right to the end.
Yes, a friend in need, a true friend indeed.
Will you cherish its memory through the life that you lead?

When the last grain of sand o'er the ashes is scattered

When thoughts tend to fade of that friend worn and battered

Keep the memory fresh in your heart of this day,

When, by flames, by flames your dear friend was sent on its way.

"The Execution"

The young man sat pale and erect in the filthy cart as it made its way slowly to the guillotine. The coarse peasants were crowded on every side of the cart, their evil faces reflecting the triumph they felt at the downfall of more of those hated "aristocrats".

The journey seemed endless and the air was oppressive as the cart swung into the square where the guillotine stood, glinting in the sun. The executioner stood beside the guillotine, his muscles rippling like satin beneath his taut skin. He was naked from the waist up, except for a black mask, through which his eyes glinted maliciously.

One by one the unfortunate captives were led to the guillotine until only the young man remained. He climbed the steps slowly and was then tied securely into position. The blade of the guillotine had begun to move when a voice cried: "Cut! Time for the tea-break," and the actors moved quickly away.

Modern Civilization is a Failure

This might seem a rather outspoken statement, in view of the recent Russian conquest of space and other triumphs in science and industry. However, these are all material gains and have no tangible value and produce no real good.

Surely one of my principal arguments is the decadence of modern religion and spiritual feeling. Figures reveal that less than one quarter of the population of Australia attends Church regularly. In Britain regular church-goers represent one-tenth of the population.

If anyone needs convincing about the decline in home-life, I suggest a walk down Crown Street on Saturday night, with the splendid specimens of modern civilization lounging on either side. These "people" obviously enjoy no home-life at all. A decline is also evident in the sanctity of marriage. This decline is shown by the ever-increasing number of divorces throughout the world. Marriage, it would seem, is something to take lightly.

It is increasingly evident that there is a modern lack of appreciation of music and literature in the world today. This is illustrated by the popularity of "canned" music, futuristic "art" and literature of the "thriller" or "best-seller" type.

With today's mass-production in industry, the appreciation of, and the pleasure in, true craftsmanship and individual creative art have been killed.

There are many social problems in our countries today. Can anyone say that modern civilization is a success when people with skins of different colours cannot live together. This is evident in America, is painfully evident in South Africa, and occurs here in Australia.

Our modern society craves for and seeks the sparkling tinsel, the superfluous objects, and not the deeper, more satisfying pleasure enjoyed by previous generations.

On the international scene, the world is full of unrest, mistrust and lack of confidence. It can be said that practically all world conferences have failed.

The League of Nations was a complete failure, and so were the many peace treaties signed after the First World War. It now appears that the United Nations, despite its wonderful ideals, will come to the same unfortunate end. It has now degenerated to a farce with worthy Premiers banging their shoes on desks, and threatening the General Secretary.

The present race for armaments and the manufacture of atom bombs, rockets with nuclear war-heads, and inter-continental guided missiles are a tragic commentary on the modern standards of civilization.

With world trouble spots becoming increasingly more frequent and violent; with racial-colour bars existing in many countries; with the absence of religion, home life and a love of the arts, can it be disputed that modern civilization is a failure?

Peter Kell (4A).

Contrast

Old rickety grey wood joined to rusty but still-sharp barbed wire fenced luscious green pastures stretching as far as the eye could see. Here and there were clumps of wild flowers which danced quietly in the soft breeze. Cows and horses grazed tranquilly in their respective fields and the younger sheep frolicked gaily over the meadows.

Beyond them lay the dark mountains, their jagged peaks reaching for the sky. The dangerous paths wound endlessly round the precipitous rocks at the top of the mountain. Above them stretched the illimitable azure blue sky. Covering the paths in parts were white clouds of varied shapes which seemed to be loitering around the outline of the mountain.

A week later the scene had changed. Rain swept in torrents down the mountains. The once verdant fields were now nearly flooded. The animals which had been grazing were now safely bedded down in warm homely barns.

The lightning stabbed across the sky and the thunder growled menacingly. The clouds looked black and angry and completely obscured the highest peaks of the mountains. The aged fence stood bravely amid the swirling water.

There was a different kind of beauty in the scene. Perhaps an artist would prefer this example of nature's destruction.

A Visit to Colombo

Three years ago, whilst on our way to Scotland, we stopped at Colombo, which was our fourth port of call after leaving Sydney.

Colombo, the capital of Ceylon, looked very inviting from aboard ship, but once we started sight-seeing, we realised the poverty and filth some of the Ceylonese

live in. The streets were littered from one end to the other with food scraps and paper. It was not unusual to see men, clothed in dirty white garments, rummaging in the gutters to find food, not caring how long it had lain there. Every now and then we could smell this filth.

Children would come running up to us with their hands out, begging for food or asking for money.

After having a ride in a rickshaw, we went to a Buddhist temple which was, as far as I was concerned, the highlight of the day. Before entering the temple we were asked to sit down whilst our shoes were removed. It is against the belief of the members of the Buddhist faith for anyone to go into a temple wearing shoes. We entered the temple in stockinged feet and saw before us a large Buddha, breath-taking in its colours and design. Adorning the wall were many murals painted in striking colours.

When we were walking back to our car a small child ran up to me urging me to take a flower she held in her hand. At first I thought it was a kindly gesture until I noticed her other hand outstretched in anticipation.

After leaving the temple we returned to the ship and as we looked back at this outwardly attractive city we could not help but remember the poverty we had seen.

"A Heavy Summons Lies Like Lead Upon Me" — Macbeth

*I'm a refugee
And an escapee
From that torrid place of work;
Rather for me
A careless life, free
From temptation to go berserk.*

*Unusual seems this state of mind
And yet it is the fate,
Of those who lag behind
In study, until late.*

*So swot and cram, we ought —
Or prepare to meet our doom
There is but one grim thought —
The "Leaving" is coming soon.*

SCHOOL CHOIR — 1961

MUSIC NOTES

Our School Choir has had another successful year. We began the year by providing choral items at the Induction of Prefects' Ceremony under the guidance of Miss Kilminster owing to the absence of Mrs. Brissenden during first term.

Once more we were privileged to have a group of girls from our Choir take part in Bach's St. Matthew Passion presented by the Illawarra Choral Society at Easter. We are grateful to Mr. Kempster and Mr. Hunt who helped us to learn the chorale parts.

A highlight enjoyed by our First Year students was the A.B.C. Orchestral Concert at the Civic Theatre. First, Second and Fourth Year students attended the Royal Ballet Film.

Our School was well represented at the Wollongong Combined High Schools' Music

Festival. Our Boys' Choir made its first appearance at this concert and their singing of "Down Among the Dead Men" and "Go Down, Moses" was warmly applauded. The combined Boys' and Girls' Choir, accompanied by a recorder trio, performed "Good Morrow, Fair Ladies" and "Eileen Aroon". Also at the Festival, Lesley Gillmore and David Chambers sang the duet "Give Me Your Hand" from "Don Giovanni".

Our combined choir has recorded three A.B.C. "Young Australia" broadcasts and is now rehearsing for the Sydney Eisteddfod at which we hope to do as well as we have in the past.

These activities would not have been possible without the guidance of our Music Teacher and Conductress, Mrs. Brissenden, to whom we owe our thanks for the opportunities to give and receive pleasure.

Farewell to Fifth Year — 1960

The morning of Friday, 28th October, saw 1st, 2nd and 3rd year pupils farewelling 1960's Fifth Year which had on the previous day shown its appreciation of its school years by organising a charity appeal over 2WL.

Speakers from the Junior School:— 1st Year: Cherylle Howe and Joseph Epps — 2nd Year: Jennifer Smith and David Reeks — 3rd Year: Valerie Jones and Nick Cowdery — wished the departing Fifth Years every success for the future.

School Captains Graham Thompson and Lorraine Weine, and Vice-captains Bill Davies and Lorraine Lewis replied to the good wishes of the Lower School.

In the evening 150 Fifth Years, 123 Fourth Years and 90 visitors sat down at 6 p.m. to the Farewell Dinner in the Hall.

During the Dinner the Fifth Years presented to the School a Tachistoscope, a machine for improving reading.

For those who have not been privileged to attend the Farewell Dinner and Dance, we present a copy of the programme.

A VISION

*A mighty ship upon a flawless sea.
Nothing stirs. No movement in the night
Spoils the wondrous vision. And the moon,
Its silvery beams flashing on the crests of
tiny waves,
Casts a weird and eerie light upon the scene
And beautifies the vision even more.*

*The ship steams on and leaves a trail of
foam,
The only sign that this great watery waste
Is being traversed. Yet,
Rather than the boat is moving forward on
this sea,
It seems it is but motionless, and casting out
An endless stream of bubbles from its stern.*

*Will it be long before this vision fades?
This beauty; will it remain unchanged,
Or will it flee and leave us full of wonder;
Wondering how this great illusion came
about,
And why, if such rare beauty can exist,
It should, from view, so very soon depart?*
—Peter Hills (5B).

LIBRARY ACTIVITIES

During the past year, the activities of the Library have progressed favourably with the capable assistance of our hard working Library Prefects:— Annette Smith, Andrea Mortimer, Marylyn Marshall, Gwenda Manning, Marilyn Johnson, Pam Hurditch, Christine Hurditch, Deidre Morthorpe, John Hogben, Bill Werry, Barry Robson, Christopher Boyd, Lynette Keys, Janice Hunt, Peter Love and Frances Horsfall.

They have spent a great deal of their time in book-binding and mending, cataloguing, sorting of cards and books, and many other necessary jobs.

Book Week this year, was a great success, with many and varied books, posters and illustrations. It showed that a lot of work and initiative had been put into this project. Prizes were awarded to:—

Best Book — Sondra James — 3B.

Best Poster — Lyndon Spence — 2B.

Best Illustration — Barry Robson — 1B.

An appeal for books was made to the students and the response was very gratifying. I am sure all our thanks go to the

many donors. A collection of National Geographical Magazines was also donated to the library. These were greatly appreciated and we hope will prove beneficial to the readers.

After much hard work the cataloguing is nearing completion. Previously, dust covers on books have become very dirty and torn, but now plastic covers have been placed over the dust covers and these should keep the books neat and tidy.

A lot of new books were received into the Library with soft covers on them. These new books were sent away to Bathurst Gaol to have hard covers fitted to them. When they were returned to us, an excellent job had been done on them, making them serviceable for many years more than they would have been otherwise.

Miss Dunn has recently purchased a wide range of very interesting books. There should be something amongst the selection to satisfy the best taste for literature.

Frances Horsfall (3D).

Social Committee Report

Social Committee: Magda Szabo, Cecily Burton, Margaret George, John Martin, Richard Main, Graham Applegate, Rodney Lane.

During the present year it has been the duty and the pleasure of the Social Committee to assist in the organisation of the social functions. We, the Social Committee, feel particularly proud of our decorations for the School Ball, the main social event of the year. Held on the 7th of June, the School Ball was opened officially by His Worship the Mayor, Alderman Squires. Others in the Official Party included Mr. and Mrs. Lenehan, Mr. and Mrs. Peedom, Mr. and Mrs. Champion and Mr. and Mrs. Gole.

At the second term Social, thirteen cadets from the Jervis Bay Naval College, who earlier in the day had played against our First Grade Soccer team, were the guests of the school. The hall was gaily decorated and we feel sure that our guests enjoyed their evening with us.

At this stage of the year we are looking forward to our activities in connection

with the Farewell to Fifth Year Dinner and Dance, and to the Christmas Social.

In conclusion, I would like to thank all those who had helped in the past and who, we feel sure, will help in the future, to make the social functions successes.

CADET UNIT — PASSING OUT PARADE, 1961.

On Thursday, 26th October, 1961, the School Cadet Unit held its Passing Out Parade, and was inspected by Major J. Copeman, M.C., M.M., Officer Commanding the Wollongong Company of the 3rd N.S.W. Regiment. Major Copeman presented the following awards:

1. Cadet Baton — Most Efficient C.U.O. — C.U.O. K. Delaney;
2. O.C.'s Prize — Outstanding Service — C.U.O. K. Marshall;
3. Certificates of Efficiency — C.U.O. Kevin Delaney, C.U.O. Keith Marshall, C.U.O. Robert Olson, C.S.M. Michael Lawler, Sgt. Paul Buckland, Sgt. David Overington, Sgt. Peter Banks, Cdt. Ian Rue.

CADET UNIT

Capt. A. J. Day, O.C.

Lt. B. Roberts — 2 I/C.

Lt. R. Stevenson — Training Officer — Specialists.

C.U.O. K. Delaney — Training Officer — Infantry.

C.U.O. R. Olson — Cmdr. Infantry Platoon.

C.U.O. K. Marshall — Cmdr. Specialist Platoon.

W.O./2 M. Lawler — C.S.M.

W.O./2 I. Fevre — Instructor.

At the start of this year the Unit was fortunate to acquire two extra Officers, Lt. R. Stevenson and Lt. B. Roberts to aid Captain Day in the administration of the unit.

At the Passing-Out Parade of 1960, C.U.O. P. Reid was presented with a baton for being the most efficient cadet of the year. Other cadets passing out of the Unit were presented with certificates for their services to the Cadet Corps.

Lieutenant-Colonel W. Crookes of the 3rd Royal N.S.W. Regiment who took the Passing-Out Parade, told the Cadets: "Do not join for what you can get out of it, but for what you can put into it. However, the training is for good citizenship and what we Australians do need is good citizens."

Last December the Unit went to Singleton for the Annual Camp which was, as usual, very enjoyable. One of the many highlights was "Operation Contact", a rugged exercise through ten miles of very heavily wooded and rough country on the

slopes of Mt. Royal. This was an exercise for the senior cadets only and it lasted for two days. After the Camp several Cadets attended Officers and N.C.O.s' Courses to replace those Officers and Cadets who had left. Both of these courses were difficult but all Cadets passed well. Those who finished the Officers Course were: C.Q.M.S. K. Marshall, Sgt. R. J. Olson, Sgt. P. Roberts and Cpl. I. Fevre. Those who went through the N.C.O. Course were: Cpls. M. Lawler, P. Buckland, D. Overington, H. Papsen and P. Banks.

In addition to these two courses, specialists' training courses were attended by two cadets, Cpls. K. Irwin (Intelligence), R. Main (Signals).

As a result of these, the following promotions were made:

C.U.O., R. J. Olson, S. K. Marshall.

C.S.M., M. Lawler.

WO/2, I. Fevre.

Sgt., P. Buckland, D. Overington, H. Papsen, K. Irwin, P. Banks.

Other promotions were:

Cpl., P. Jackson, R. Walshe, J. Weekes, R. Knowles.

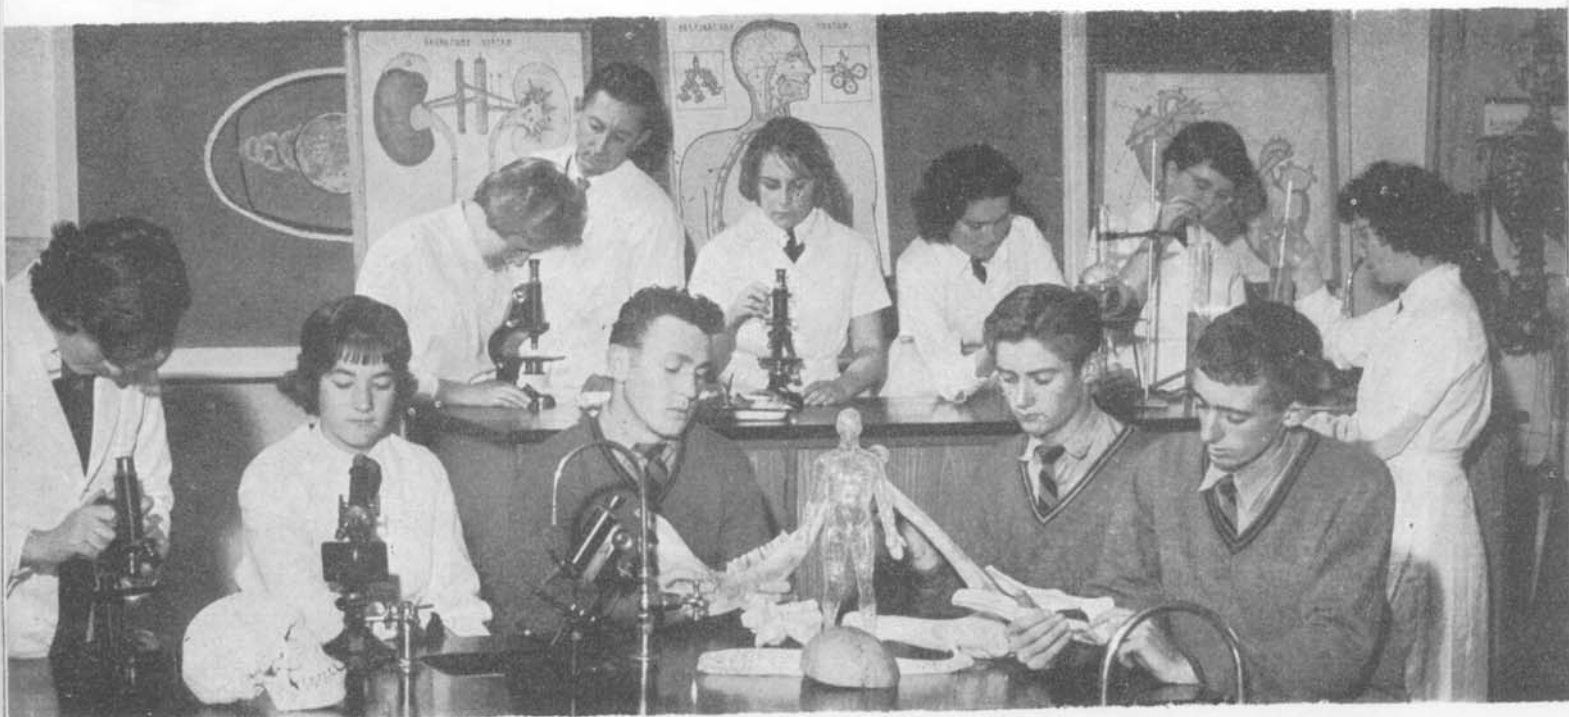

L/Cpl., R. Lane, R. Forster.

In August the Unit was placed third in the A. H. and I. Shield competition, next to Keira Boys' High and C.B.C. At the completion of the competition all Officers were presented with a certificate of Office.

On Listening To Complete Orchestration

Orchestral overtures,
 Ugh!
 Masses of semiquavers inundate
 The atmosphere
 And ten low breves oft creep in one
 Dull phrase.

Hot jazz trumpet
 Wearing a muzzle
 Emits a modulated cacophony of
 Supertonic overtones.
 Macabre minors grate upon the ears
 'n jarring discord.

The whole
 - - er - - unit
 Produces a tremendous, concentrated blast
 of
 Decibels
 Then relaxes into unexpected muteness
 Audience reverberates
 Until a 'cello collects the decadent intona-
 tion
 Uproar once more
 A covey of maniacs
 In sonoric ecstasy.

“The ‘Ancient Mariner’ at School”

“He struck with his o’ertaking wings,
 And chased us south along.”
 (Pupils being hurried along the corridor).
 “The cold sweat melted from their limbs”
 (Pupils in examination room).
 “O happy living things”
 (Pupil gazes out of window at sea-gulls)
 “Stunned by that loud and dreadful noise”
 (Pupils hear choir sing)
 “A weary time! A Weary time!
 How glazed each weary eye”.
 (Poetry lesson)
 “And thus spoke on that ancient man”
 (Boring lecture by teacher)
 “With heavy thump, a lifeless lump,
 They dropped down one by one”.
 (Girls after P.E. lesson)
 “How loudly his sweet voice he rears!”

Advertising

Advertising is that means of spreading information for commercial purposes — that now common practice which haunts our television and radio programmes and which represents a large amount of printing space in any newspaper, journal or magazine.

Yet, I wonder how many of us have ever stopped and thought just how long man has been familiar with advertising.

Advertising has existed from the earliest of times. Traders made themselves known and called attention to their products by mural inscriptions before the age of printing. A papyrus discovered at Thebes offering a reward for a runaway slave is believed to be 3,000 years old.

The public crier, a civil institution in ancient Greece, is not yet extinct. In the Middle Ages the spoken word was almost the only mode of publicity in use. However it was the invention of printing that ushered in the modern period of advertising. Printing alone made possible the transition from simple announcement to the system of argument and suggestion which constitutes modern advertising, and the medium of this development was the newspaper.

By the middle of the 18th Century, however, advertising began to be complained of and the stains which the practice of that age left upon its reputation are not yet quite obliterated.

Advertisements are now so numerous that they are read carelessly and it has therefore become necessary to gain attention by magnificence of promise. Promise, and large promise at that, seems to be the very soul of an advertisement.

Despite many criticisms, however, I feel sure that we must appreciate the noteworthy advances made in the general level of living and in public taste brought about by the use of advertising. There is no doubt that we should have most of the commodities of this world without advertising but probably not so many people would have had them so soon.

MATES

The last comforting rays of sunlight disappeared as the huge gleaming ball of light slipped slowly behind the long purple range of mountains. Everything seemed dark and still and the gully which had looked so cheerful before in the pale, warm sunshine turned into a place of frightening, unseen terrors.

All of the gay flowers and autumn-tinted trees had lost their warm, bright colour and appeared to melt into a background of emptiness. A sharp breeze swirled the fallen leaves up into the air and rustled the long grass, as though it was whispering secrets to anyone who cared to listen.

At the edge of the gully, stood the dejected figure of a little boy, one hand fondling the ear of a huge dog which sat beside him, looking up into his face with questioning brown eyes. For some minutes the two stayed like this, gazing before them.

Then the child gave a laughing cry, and shouted "There's our home", and plunged down the hillside, the dog at his heels.

But soon he stopped and stared sadly before him at the large rock, which he had thought was his home. Tears sprang to his eyes and although he manfully tried to brush them away, they were followed by larger ones, until he sobbed uncontrollably. Anxiously, the dog, not understanding what was wrong, licked his hand and gave a dejected little wag of his tail.

Sniffing dismally and his face tear-streaked and dirty, the little boy lay down under a small gumtree. Faithfully, the dog stretched beside him and it was not long before the two were asleep, the boy with one arm slipped around the neck of the dog.

It was a cold frost that night. "The coldest one in years," one man said. "Why, when I awoke at seven the sun wasn't even up."

But for the boy and his dog there was no waking. They slept on and on, for they had reached another world, in which they could wander happily together, free from troubles and fears. Jenny Smith (3A).

A BOOK

*Pictures are windows to many lands
But a book is a door that ready stands
To him that will open and go outside
Where rivers and plains are free and wide.
Pictures are windows through which we
look,*

But the door of the world is really a book.

—Maureen Palmer (1D).

Thoughts Of The Future

It is said that Mathematicians, Scientists and Engineers are needed badly and that the demand will never be fulfilled. However, writers beat the scientists to the moon and have been beating the scientists to the moon for the past century. If there were no writers, poets, musicians and artists, the world would be a very dull place. I propose, ladies and gentlemen, that when the moon is proved fit for habitation, that we send all the scientists, etc., up there to enjoy their mathematics and to leave us in peace. If there is a maniac (that is a person who feels a hankering after simultaneous equations) in our Utopia he (not supposing there are any women maniacs) will be sent with all possible haste to the moon. Thereby we will be rid forever of science and mathematics. But the world would be dull without scientists, you say?

There will be a special scenic planet rocket for the tourists who would love to see a dear old professor with a beard and spectacles; and perhaps, from a far distance, see the Pythagoras Theorem with the square on the Hypotenuse that used to befuddle our poor little brains although it was supposed to be "dead easy". With a patronising smile we would pass on to the next exhibit. It is a school for mathematicians. With a shudder we would cover little junior's eyes and hastily re-enter the space ship.

On the way back we would see a little round bubble. It is a petrified flea. Some poor soul was thoroughly engrossed in science and mathematics but was found whistling a tune from Gilbert and Sullivan. The world authorities decided that he should be suspended half-way between the moon and earth where he forever will remain. We re-enter the terrestrial atmosphere and shortly we are walking along the lunar air-strip past the kiosk where they sell chicken dinners in de-hydrated pills.

It was decided by unanimous decision, that French was to be the international language, much to the chagrin to some poor souls to whom English was fascinating. This section of the community is the population of English teachers, great fighters in the cause for liberty, fraternity and equality with the scientists but never theless also a bit fanatical as all good people are. They all have their different religions, ideas and peculiarities but we give them good food and let them rot decently in a medieval monastery.

What are you, you say? That is a question.

MORNING

"Let us stand together for a few"

As part of our school life, we have grown accustomed to our Morning Service and we greatly appreciate the time spent in worship and in listening to the music provided before the service.

Our thanks go to the following for their assistance in our daily Morning Service and Scripture Classes on Tuesdays:—Revs. R. G. Lancaster, G. W. Carr, B. Williams, C. Knibb, R. Gray, R. J. Anderson, C. J. Wells, J. Dyer, G. S. Clarke, A. R. Hildebrand, R. C. Fowler, H. R. Voss, and B. K. Haebich, Major I. C. Evans and Dr. I. Gillman. We also thank Mesdames

M. C. Mow, and R. Snedden, Miss J. Bewley and Messrs. I. Graham and G. E. Fischer and Father Rhinberger for their assistance in the giving of religious instruction.

We are also indebted to Cheryl Cartwright for her accompaniments to our morning hymns and to Joan Haebich for providing us with classical music before the service.

We are very grateful to Mr. Lenehan who substitutes for a Minister who may be unable to attend.

SERVICE

few moments. Let us be quiet."

Inter-School Christian Fellowship

Our I.S.C.F. meets every Friday, at lunch-time, in the Hall. We have an average attendance of about 120 and we would invite non-members to come along.

During the year we have had various visiting speakers including Mr Hill, the I.S.C.F. Travelling-Secretary, and the Rev. Turner, well-known for his work among Sydney Teenagers. At other times our senior members have led the meetings.

Our counsellors are Miss Best and Mr. Bayly, our President Bill Koppe and Vice-President Gemette Reid. We are grateful to Judy Bunning for her piano accompaniment and also to the senior girls, especially Carole Smith, Edla Vasila and Lesley Gillmore for their hymn-singing.

Last year Wollongong High and Dapto High I.S.C.F. members combined to hold a very successful house-party at Bundena, near Port Hacking. Representatives from our I.S.C.F. attended the Annual Crusaders' Service in the Congregational Church and several of our members took part in the service. During Scripture Union week, some of our members attended a rally at St. Michael's and found it very enjoyable, although our teams did not gain places in the quiz section.

We all enjoy the fellowship of I.S.C.F. and trust to live up to its motto: "To know Christ and to make Him known".

Anne McCarthy (4A).

Examinations Results 1960

LEAVING CERTIFICATE, 1960.

Geoffrey Applegate and Geoffrey Brookes, each with two first-class Honours, two A's and two B's shared the best pass for 1960. The number of passes, 128 out of 150, was a little disappointing but the over-all standard was high with 35 Commonwealth Scholarships and 50 first-award Teachers' College Scholarships having been gained.

Graham Thompson, Bill Davies and Geoffrey Brookes gained A.I.S. Scholarships.

Commonwealth Scholarships were awarded to: Applegate, G.D.; Attema, J.; Bando, R.; Bridge, G. D.; Brookes, G. R.; Carmody, Marion J.; Chapman, K. W.; Corderoy, H. J. B.; Cramp, Deidre K.; Davies, C. Penguins

Situated off the Coast of Wollongong are
five islands where many penguins live.

The penguins leave the islands before
sunrise. They spend the rest of the day
catching food around the rocks off the
shores of Wollongong and Port Kembla.
Sometimes they are found in Wollongong
catching small fish which shelter there.
After sunset the return is made to the
islands and as the waves retreat, dozens
of penguins emerge from the foam and
toddle up onto the dry sand, there to stop
for a rest. As each wave comes in, more
and more penguins leave the water and it
looks like "waves of soldiers" landing.

They proceed up the narrow tracks in
single file and start the search for their
young among the hundreds of burrows.
When the young have eaten, the family
settles down to rest until dawn.

HOUSE NOTES

Bass House won the unofficial point score for the fourth year in succession. However, its margin was less than previously and it won in only two activities. Each House won a major activity.

BASS HOUSE NOTES

HOUSE MASTER: Mr. P. NOBLE.
HOUSE MISTRESS: Miss L. KAVANAUGH.
BOYS' CAPTAIN: ROBERT OLSON.
GIRLS' CAPTAIN: EDLA VASILA.
VICE-CAPTAINS: JOHN CASSIDY,
 CHRISTINE DAVIES.

This year, for the fourth year in succession, we are the Champion House, having won the Athletics and Debating and having come a close second in both Market Day and the Swimming. On Market Day we raised our highest amount — £191. Once again our successes were the result of hard work and co-operation on the part of all members.

BOYS:

The boys won their section in the Athletics Carnival and were second in the Swimming. Outstanding performers were: J. Cassidy, J. Armstrong, J. Gray, K. Wilton.

We congratulate Kevin Delaney on his election as Vice-Captain and Chester Meurant for his win in the Commonwealth Day Public Speaking.

GIRLS:

Edla Vasila, our House Captain, led the Girls of Bass House to a win in the Athletics and to second position in the Swimming, and with the boys, to second position on Market Day.

Outstanding swimmers for the House were: Sacha Pouw, Maureen Hynd, Celia Cracknell, Diane Clunas. We won two out of the three relays. This shows that we still have much swimming "strength". Sacha won the Intermediate Points Score from Maureen Hynd.

At the Athletics, Kay Johnston and Christine Davies did best. Both won their Age Championships. Congratulations.

Bass is proud of the part played by all the girls and congratulates House Member Gemette Reid, on her election as School Captain.

FLINDERS HOUSE NOTES

HOUSE MASTER: Mr. B. ROBERTS.
HOUSE MISTRESS: Miss J. BOWMAN.
BOYS' CAPTAIN: JOHN BROWN.
GIRLS' CAPTAIN: JEANETTE EDDY.
VICE-CAPTAINS: DOUGLAS FLETCHER,
 LINDA HUTCHINGS.

Flinders experienced a year of mixed fortunes but it was nevertheless a successful one from all aspects, for we finished second in the unofficial Point Score, reducing Bass's lead substantially. We finished first in the Swimming Carnival, second in the Athletics, third on Market Day and second in the Best Decorated Stall Competition. This augurs well for the future and for these successes congratulations are extended to the competitors as well as to the enthusiastic supporters.

BOYS:

The boys were successful in winning their section of the Swimming Carnival. Our outstanding swimmers included James Norton, Bill Eddy, Graham Godden and John Brown. Our boys finished down the list at the Athletics Carnival, even though such creditable performances were given by John Brown, Peter Hogben, Ian McPhee, Douglas Fletcher, Peter Kell, Bill Koppe and Michael Waugh.

We congratulate Peter Hogben on his third in the School Cross-Country Championship. Peter, a First Year boy, will be a star middle-distance athlete.

GIRLS:

Our girls swam well and were not extended to win the Swimming Carnival and finished a very close second in the Athletics Carnival.

Outstanding swimmers included Jeanette Eddy, Linda Rhodes, Deidre Morthorpe and Beth Barton and outstanding athletes were Jill Bunning and Linda Hutchings.

We congratulate Pauline Day on her win in the Junior Section of the Commonwealth Day Public Speaking.

KEIRA HOUSE NOTES

HOUSE MASTER: Mr. D. BAYLY.

HOUSE MISTRESS: Miss D. LeMESSURIER.

BOYS' CAPTAIN: MICHAEL PEEDOM.

GIRLS' CAPTAIN: ANNE ROSE.

VICE-CAPTAINS: JIM McALLAN, CAROLE THOMAS.

Keira's most outstanding performance this year was a resounding win in the School Cross-Country Championship, with a winning margin of over 100 points.

At Market Day we were able to gain only fourth position, though our stall was accredited with third place.

BOYS:

In Swimming, the boys gained second place with 125 points. Congratulations to Lindsay May, 13 years champion, and Michael Peedom, senior champion.

Outstanding athletes: John Boetje, Roger Dainton, Graham Lane and Peter Beattie gained Keira third place in the Athletic Carnival. Congratulations to John Boetje, Richard Tubman, Trevor Hannam, Neil Findlay and Graham Matchett for their Cross-Country runs.

GIRLS:

Our girls gained third place with 125 points in the Swimming Carnival, Barbara Downes and Susan Devlin giving outstanding performances.

In the Athletic Carnival, we gained fourth place despite good performances by Pauline Dickinson and Maureen Palmer.

Our congratulations go to Anne Rose, School Hockey Captain; Vivienne Muir, pitcher for the School Softball Team; Toni Roberts, Fourth Year Squash Champion and to Jennifer Spearing who gained selection as Captain of the N.S.W. Country Hockey Team.

KEMBLA HOUSE NOTES

HOUSE MASTER: Mr. R. STEVENSON.

HOUSE MISTRESS: Miss E. BEST.

BOYS' CAPTAIN: KEN BARRETT.

GIRLS' CAPTAIN: CARLA LAMBECK.

VICE-CAPTAINS: ROBERT MONTGOMERY, MARY WINGRAVE.

Kembla's win in the Market Day Competition, when it raised a record House total of £198 and gained first place for its Beach Theme stall, shows that Kembla is rising in strength. Although we finished only third in the total points score, Bass's winning margin was decreased and we were not far behind Flinders. Our hopes for 1962 are high.

BOYS:

Kembla boys were narrowly defeated by Bass in the Athletics. The margin was a mere .3, the result of a triple tie for fourth place. The House can be proud of two Age Champions, Michael Dickinson and David Chambers. Robert Montgomery, Ken Barrett and Hans van der Kooi also distinguished themselves.

Despite the outstanding individual efforts of Gary Leonard and Alan Downes, Kembla boys took fourth place at the Swimming Carnival.

We are proud of having Michael Dickinson, School and State Cross Country Champion, in our House and of Kevin Leamon, Sanders Cup Public Speaking winner.

GIRLS:

We were third in the Athletics and fourth in the Swimming but gave hard and steady competition to the victors at all times. Commendable performances were given by Carla Lambeck, Carolynne Sharpe and Noela Saunders in the pool; while Mary Wingrave and Bronwyn Hargreaves were outstanding on the athletics field.

After the Storm

All is calm. The storm, having lasted for two hours, has left the "Bluebell" a wreck upon the rocks, the only trace of its vigour.

Moonbeams, silently, cautiously, wend their way through the wreck, making the "Bluebell" a place of beauty. The moon is everywhere; it is in the sky; its shimmering reflection is in the water; its moonbeams are creeping through the tangled wreckage and are shining on the moisture in the rocks. The moon is dominating, like a conquering hero, that black, black cauldron of water.

Nothing can be heard except the gentle, sorrowful lapping of the waves, mournfully exploring the "Bluebell".

The sky is paling. Suddenly — out bursts the sun, reducing the moon to a docile slave and changing the black, silent night. Now the "Bluebell" will be thoroughly investigated by inquisitive children.

ANNUAL SWIMMING CARNIVAL

The fact that only three records were broken at our Carnival this year is indicative of the standard achieved by our boys during the past few years.

Held in glorious weather, the Carnival was a success due mainly to the intense spectator participation. House Cheer-squads were well organised and vociferous from start to finish.

Record breakers and their times were:—

Gary Leonard, 14 years, 55 yds. Back-stroke, 36.5 sec.

Allan Downes, 16 years, 110 yds. Back-stroke, 1.18.3.

Jim Norton, 14 years, 220 yds. Freestyle, 2.34.7.

Most improved swimmers were:— Jim Norton, Bill Eddy and Kent Wilton.

INDIVIDUAL CHAMPIONS

13 years — Lindsay May.

14 years — Jim Norton.

15 years — Bill Eddy.

16 years — John Brown.

Senior — Michael Peedom.

Others to perform with distinction were: Stephen Stringer, Gary Leonard, Phil Buckley, Kent Wilton, Graham George, Graham Godden, Allan Downes and Graham Clunas.

HOUSE CHAMPIONSHIP RESULTS

Flinders, 148; Keira, 125; Bass, 113; Kembla, 94.

ILLAWARRA C.H.S.A.A.A.

Although we had a very slight edge over Bulli in the actual swimming section of the Carnival, their divers were far too good, and so once again we congratulate Bulli High Competitors on a well-earned victory in the aggregate points score.

The closeness of the point score between Bulli and ourselves throughout, was such, that final victory was to go to the School swimming the last event of the day, the Senior Relay. After a tense struggle Bulli touched one and a half yards in front of W.H.S. and so clinched the championship.

Final results were:— Bulli, 190; W.H.S., 182; Nowra, 137; Berkeley, 113; Corrimal, 66; Kiama, 63; Keira, 42; Port Kembla, 22; then followed Bowral and Dapto.

Boys from Wollongong High School to break or establish records were:—

Gary Leonard, 14 years, 55 yds. Back-stroke, 36.0 sec.

Graham Godden, 15 years, 55 yds. Back-stroke, 35.5 sec.

Allan Downes, 16 years, 110 yds. Back-stroke, 1.17.4.

Gary Leonard, Phil Buckley, Kent Wilton and Jim Norton, 14 years, Relay, 2.8.0.

Our most successful competitor was Jim Norton who contributed to our points tally with victories in the 55 yds., Breaststroke and 55, 110 and 220 yds. Freestyle events in the 14 years division. Others to turn in pleasing performances were:— John Brown, Michael Peedom, Allan Downes, Bill Eddy, Kent Wilton, Graham Godden, Phil Buckley and Lindsay May.

C.H.S. OF N.S.W. CHAMPIONSHIPS

Ten W.H.S. boys were members of the Zone Team of 38 chosen to represent at this Carnival. The standard this year was so high that only Gary Leonard, Allan Downes, John Brown and Jim Norton represented this school in finals. However the relay team to represent the Zone in the 14 years final was comprised entirely of our lads who broke the record for the same event at the Illawarra Carnival.

John Brown was a member of the sensational team that broke the 16 years Relay record by more than three seconds. The others were John Dunn and Noel Duff of Berkeley High and Alex Alexander of Bulli High. Their time of 1.53.3 was faster even than that of the champion senior team.

ANNUAL ATHLETIC CARNIVAL

Despite the wet and windy conditions, eleven records were broken during this Athletic Series. Sprinters were hampered by the strong Southerly which blew all day; but performances in the throwing events were most satisfactory.

Complete organisation of the programme, a high degree of participation, highly efficient officiating and the wonderful support given us by the Lysaght Organisation, were contributing factors in making this the most successful Wollongong High Athletic Carnival ever held.

The result of the Inter-House competition was in the balance right to the very end and proved to be the closest and most interesting ever. Final points were:

Bass, 162.3; Kembla, 162.0; Keira, 130.6; Flinders, 127.0.

Record breakers and their performances were as follows:

Hans van der Kooi — Senior Discus — 82' 10".

John Armstrong — 16 Yrs. Discus — 102' 7". 16 Yrs. Javelin, 133' 7". 16 Yrs. Shot Put, 45' 1".

John Cassidy — Senior 440 yds. — 53.9 sec.

Robert Olson — Senior Hop Step and Jump — 40' 1".

John Brown — 16 Yrs. 440 yds. — 53.5 sec.

John Boetje — 16 Yrs. Mile — 4.42.0.

Graham Matchett — 13 Yrs. Shot Put — 35' 2".

Chris Shaw — 15 Yrs. Shot Put — 42' 6".

Kembla — 14 Yrs. Relay — 52.5 sec.
Divisional Champions were: 13 Yrs. — Trevor Stanton; 14 Yrs. — Michael Dickinson; 15 Yrs. — David Champion; 16 Yrs. — John Brown; Senior — John Cassidy.

ZONE ATHLETIC CARNIVAL

Two inches of rain fell and a Southerly gale blew all day; yet despite those appalling conditions, all events were concluded except two high jumps and the Relays. Competitors and Officials alike are worthy of the highest praise for the way they persevered in the situation.

Our only record breaker was John Armstrong who put the shot a magnificent 50'. The performances of John Brown, John Cassidy, John Boetje, Michael Dickinson, Peter Gellatly, David Champion, Roger Dainton and Trevor Stanton were on a par with those of John Armstrong's. Ian Wilson's win in the 16 years Mile was a most satisfactory performance.

Peter Gellatly and John Brown won their divisional titles while David Champion shared the 15 years championship with R. Cruikshank of Nowra. Our lads collectively, won every age championship.

Point scores at the end of the carnival were:— Wollongong High School, 302½; Nowra, 133½; Keira, 106; Bowral, 83; Berkeley, 49; Bulli, 45; Kiama, 27; Port Kembla, 22; Dapto, 18; Corrimal 5.

William Shakespeare

Throughout the years, the words of William Shakespeare are read by more people than anything that has ever been written, with the exception of the Bible.

Every country lays claim to some immortal writer; Greece has her Homer; Italy boasts of her Dante; Germany honours Goethe; France has her Victor Hugo, but William Shakespeare, who was born and who died in tiny Stratford-on-Avon, England, belongs to the world.

This great writer must be recognized by us Secondary School Students and Teachers, as the hero of literature. Ben Johnson, himself a great man, stated after Shakespeare's death, "He was an honest man and of an open and free nature and had an excellent fantasy, brave notions and gentle expressions." No one has ever succeeded in writing such marvellous works as Shakespeare did and I doubt that any man or woman will ever be his equal.

C.H.S. ATHLETICS

John Boetje proved himself the school-boy "miler of the year" when he figuratively "killed" the opposition in the Open Mile event at the Sydney Cricket Ground on Saturday, 23rd September, to run the amazing time of 4-26.9. He was taken out of the 16 year group to ensure his School the Open Mile Championship. Running with superb judgment, John demonstrated the part played by intelligence in a race of this type, and brought home to other members of the Zone Senior team the lesson that all aspiring youngsters must learn, namely, that you only get out of your training what you put into it. If he retains his interest in athletics, John will be a very definite Olympic prospect.

John Cassidy ran a beautifully judged race to annexe the Open 880 Yds. title. His 440 Yds. heat run of 51.5 was a splendid effort and his own best ever. However, the 880 Yds. final had taken the edge off him and he finished third in the 440 Yds. final. John Brown ran his best ever 440 Yds. in 51.5 seconds to come second in the 16 years' event. This time was more than a second inside the old record.

Michael Dickinson was our unlucky runner. Leading the field into the last 150 yds. of the 14 yrs. 880 Yds. event he was knocked off the track and could not

make up the leeway. The interference cost him about 6 yards and first place in the event. His time of 2-7.4 seconds was a magnificent effort and a future in Australian athletics is assured for him.

Richard Lord and Ian McPhee deserve special mention for the team loyalty that inspired them to sacrifice their own chances in order to assist their team mates, by acting as early pacemakers in their 880 Yds. events. Both boys won their 880 Yds. heats.

Others to do well were:

David Champion — 3rd in 15 yrs. 90 yds. hurdles.

Roger Dainton — 23.9 secs. in 14 yrs. 220 yds. heat. 1st in heat of 14 yrs. 100 yds.

Graham Matchett — 7th in final of 13 yrs. 880 yds.

Trevor Stanton, Bill Harrigan, Peter Gellatly and other young team members will profit by the experience they gained at this meeting.

ALL SCHOOLS' CHAMPIONSHIPS

W.H.S. athletes managed to win four State Titles at this Carnival. Results were:

John Boetje — 1st Open Mile, 4-28.2.

John Brown — 1st Under 17 880 yds., 1-59.9;

3rd Under 17 440 yds., 52.2.

John Cassidy — 1st Open 880 yds., 2-2.5;

1st Open 440 yds., 52.5.

Ian Wilson — 2nd Under 16 880 yds.

Roger Dainton — 3rd Under 15 100 yds.;
3rd Under 15 220 yds.

John Brown and John Boetje were selected to represent N.S.W. Schoolboys against two Universities.

John Boetje won the Mile in 4-25.3 and ran second in the three mile event. John Brown won the 880 yds. event in 1-59.1 and finished third in the 440 yds.

CROSS COUNTRY EVENTS STATE SERIES

Owing to splendid teamwork and determined running, we were successful in taking out all teams titles for the second successive year. Results were:—

Under 13: N. Findlay, 2; T. Smith, 4; F. Madden, 12; D. Werry, 17; 1st in Teams Title.

Under 14: M. Dickinson, 1; R. Tubman, 5; T. Hannam, 9; P. Hogben, 10; W. Harrigan, 11; 1st in Teams Title.

Under 15: D. Whitelaw, 4; I. McPhee, 11; B. Harper, 16; P. Kell, 18; 1st in Teams Title.

Under 16: I. Wilson, 7; B. Webster, 9; A. Downes, 16; J. Knyvett, 18; 1st in Teams Title.

Senior: J. Boetje, 1; J. Brown, 4; D. Chambers, 12; W. Koppe, 13; 1st in Teams Title.

COMBINED HIGH SERIES

For the first time this series was run on the zone basis. W.H.S. boys formed the basic striking power of all teams except in the 15 years division where Bulli provided the strength. Results were as follows:—

13 years: D. Glen, Bowral, 3; T. Hannam, W.H.S., 5; W. Harrigan, W.H.S., 6; G. Matchett, W.H.S., 6; 1st in Teams Title.

14 years: M. Dickinson, W.H.S., 1; I. McPhee, W.H.S., 4; D. Whitelaw, W.H.S., 6; R. Cowden, Kiama, 9; 1st in Teams Title.

15 years: W. Harvey, Bulli, 1; R. Nipperess, Bulli, 5; B. Webster, W.H.S., 9; B. Harper, W.H.S., 16; 1st in Teams Title.

16 years: J. Brown, W.H.S., 6; R. Mathieson, Bulli, 8; R. Ritchie, Bowral, 11; I. Wilson, W.H.S., 14; 1st in Teams Title.

Senior: J. Boetje, W.H.S., 1; W. Koppe, W.H.S., 9; J. Cassidy, W.H.S., 13; D. Chambers, W.H.S., 15; 1st in Teams Title.

ANNUAL CROSS COUNTRY CHAMPIONSHIPS

320 STARTERS

Running splendidly, Michael Dickinson became the first Second Year student ever to win this year's Classic, when he headed

last year's champion John Boetje to the finishing line by five seconds. A particularly gallant effort was that of Peter Hogben of First Year who ran third. Details were as follows:

CHAMPIONSHIP

1. Michael Dickinson — Kembla.
2. John Boetje — Keira.
3. Peter Hogben — Flinders.
4. Richard Tubman — Keira.
5. David Chambers — Bass.
6. Trevor Hannam — Keira.
7. Bill Harrigan — Kembla.
8. Neil Findlay — Keira.
9. Graham Matchett — Keira.
10. Bill Koppe — Flinders.

HOUSE CHAMPIONSHIP

1. Keira — 403 points.
2. Kembla — 296 points.
3. Flinders — 263 points.
4. Bass — 253 points.

HOUSE CHAMPIONS

Keira — John Boetje.
Kembla — Michael Dickinson.
Flinders — Peter Hogben.
Bass — David Chambers.

BASKETBALL

Six teams were entered in the summer Basketball Competition. Of these, the First Grade, Second Grade "A", Under 15 and 14 "A" were runners-up in their grades.

The First Team drew Corrimal 32-32 and defeated Corrimal 30-22 and defeated Bulli 21-16 and 29-8, but found Keira much too strong and was defeated 83-20.

The Second Grade "A" with Peter Stanley, Ross Worrall, Ken Barrett, Kevin Delaney, Kevin Wheway and Graham Lane playing well, won five games out of eight and were defeated 33-31 by Dapto (eventual premiers) in the semi-final.

The Second Grade "B" started badly but won the last four games played. Forwards Hans van der Kooi and Dave Harkin maintained a good goal average; guards Harry Brayshaw and Greg King were strong in defence and centres Max Hume and Chris Shaw played their part.

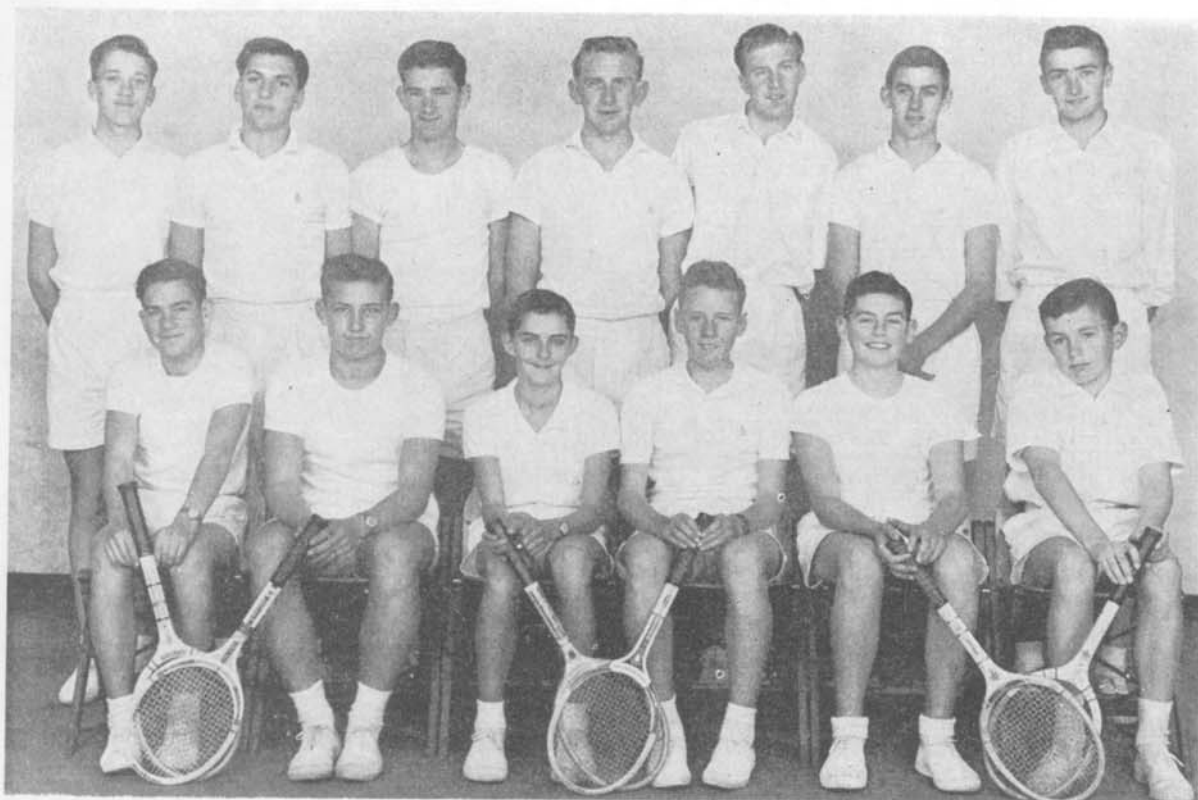

The Under 15 finished runner-up, to Keira in a very high standard competition. The forwards were ably led by Norman Jones, the highest scorer, with Philip King, Jim Grenfell and David Thompson scoring well also. Guards Barry Harper (Captain), John Gray, Ian Grierson and Doug Meredith functioned well.

The 14 "A" Team: Graham Chaffey, John Hassen, Brian McCammon, Trevor Stanton, Stephen Spinks and Steven Stringer played well to be runners-up.

SENIOR "A", SENIOR "B" AND JUNIOR "A" TENNIS PLAYERS

BACK: Richard Buckland, Neil Brunero, Ron Hamilton, Ray Maber, John Sweeney, Harry Maynes, David Cartledge. FRONT: David Donnelly, David "C" Whitelaw, Garry McCray, Ron Caisley, Garry Ringwood, Neville Carr.

TENNIS

Four teams: Senior A and B, Junior A and B, took part in the first term summer competitions and five: Senior A and B, Junior A, B and C in the winter competitions.

Our winter teams were more successful than the summer ones.

The Senior "A" Team: John Sweeney (Captain), Harry Maynes, Neville Carr and Ron Hamilton, won the Final against Corrimal 17-15 but went down 8-24 to Keira in the Grand Final.

The Senior "B" won the division when it defeated Keira "A" 18-14 in the Final to have a clear points lead as it had not lost a match during the season. Team members were David Cartledge (Captain), Ray Maber, Neil Brunero, David Donnelly, Richard Buckland and Bruce Webster.

The Junior "A" (David "C" Whitelaw, Ron Caisley, Gary McGray and Gary Ringwood) lost the Final 14-18 to Keira "A" but won the Grand Final 19-13.

The Junior "B", as did the "C" Team, played in the same competition as the "A". Team members Brian McCammon, Barry Weir, John Paul and Garry Gibson had the satisfaction of gaining a draw with the "A", the competition winners.

CRICKET REPORT

The 1960 season saw us winners in the First, Third and Fourth Grades.

At this time of the year we can report only briefly on the unfinished 1961 season.

The First Grade defeated Bulli 92 to 40 and 36 and Keira 5/137 to 3/117 but lost to Corrimal 65 to 72. Jim McAllan took 3 for 1 in the last over against Bulli.

The Second Grade "A" has won its three matches whilst the Second Grade "B", playing in the same competition, has recorded one win.

The under 15 has had wins against Corrimal and Keira but has been defeated by Bulli. David Champion and Paul Jackson have both recorded good batting and bowling performances for this team.

The 14 "A" and 14 "B" Teams have failed to win a match.

The 13 "A's" best result was a first innings win against Corrimal. Purdon, promoted from the "B's", took 5 for 7, including the hat trick. This followed his 7 for 1, again including the hat trick, in the previous match when the "B" Team defeated Bulli.

RUGBY LEAGUE

FIRST GRADE — WINNERS OF THREE TITLES

BACK: Mr. J. Huxley, Pat Petty, Doug Fletcher, Hans van der Kooi, John Armstrong, Philip Allen, Kevin Wheway, Neil Malmberg, Mr. J. E. Lenehan. FRONT: David Harkin, Robert Montgomery, Jim McAllan (Vice-captain), Gary Cormick (Captain), Bill Mackey, Alan Bedkoher, Gordon Soldi.

RESULTS

1st Grade: Winners of local competition, Camden and Wollongong Carnivals.

9.7 "A": Runners-up local competition. Winners Goulburn Carnival, Co-Winners Wollongong Carnival.

8.7 "A": Winners Wollongong Carnival, Inter-Zone Runners-up.

Secondary Points Championship. Winners, Wollongong Carnival.

FIRST GRADE

Coach: Mr. J. Huxley.

Although not as successful as last year's team, 1961's team has had a splendid year. The boys, when wearing the school colours, have always played together as a team with great determination to do the best they can. They retained three of the titles won by last year's team: Secondary Competition, Camden and Wollongong Carnivals.

During the season it was undefeated and had no tries scored against it. The team was disappointed that rain washed out the State Carnival, and it was not given the chance of emulating the 1959

and 1960 First Grade sides in winning the State Championship.

Team members were:

Bill Mackey: Outstanding side-stepping fullback who saved the day on many occasions.

Bob Montgomery: A prolific try-scoring winger.

Neil Malmberg: 2nd Row-Centre who has scored 100 points, all from goals.

Philip Allen: Brilliant winger and top try-scorer.

Hans van der Kooi: Soccer convert who turned out to be a Rugby champion — 2nd Row-Centre; 2nd in "Best and Fairest" competition.

Doug Fletcher: Inside centre and a key man in attack and defence. "Best and Fairest" winner.

"Gags" Cormick: Our captain, and star of last year's premiers. Controls the game from the 5/8 position.

Pat Petty: A very experienced and hard-running half-back.

Gordon Soldi: Another Soccer convert — most reliable at all times.

9.7 "A" — WINNERS GOULBURN AND WOLLONGONG CARNIVALS

BACK: Peter Smith, Rodney Lane, Kevin Delaney, Jim Webb, John Curry, Ken Barrett, Helmut Papson, Graeme Dunn, Mr. J. Argent. **FRONT:** Philip Roberts, Graham Lane, Ian McCall, Brian Hudspeth (Captain), Michael Peedom (Vice-captain), Phillip Noble, Peter Sophios.

8.7 "A" — WINNERS OF ZONE COMPETITION AND WOLLONGONG CARNIVALS

BACK: Philip Smith, Graham Godden, Richard Drummond, John Weekes, Graham Applegate, Harry Brayshaw, John Bowman, Philip King, David Norris, Mr. B. Roberts. **FRONT:** John Martin, Colin Brown, Alan Elliott (Vice-captain), Terry Churchin (Captain), Greg Chapman, Peter Beattie, Wayne Felton.

John Armstrong: Bustling hard-running lock forward and a key man in attack.

Alan Bedkoher: A brilliant utility player who is most reliable in defence.

Dave Harkin: A speedy hard-running front-row forward who never misses a tackle.

Kev Wheway: Outstanding front-row forward and very capable "fill-in" hooker.

Jim McAllan: Vice-Captain and brilliant forward leader. Always kept us well supplied with the ball from the scrums.

The team gives special thanks to our School Captain, Ross Johnson, who as schoolboy manager carried out the administrative tasks of the team with admirable efficiency and interest, and to Mr. Petty for assistance in coaching.

OPEN "B"

Coach: Mr. R. Anderson.

At the beginning of the season it was decided not to field an Open B team as no other school had entered a second team in the competition. However, in response to a very keen group of players led by Allan Downes, a team was formed and it took part in the "A" competition.

Although the only glimmers of light amid the prevailing gloom were two fine tries scored by Chris Shaw and Bob Olson, it is greatly to the credit of the team that at no time did it lose interest in matches or practices. The experience gained will be invaluable for those players selected for the First Grade team next year.

9.7 "A"

Coach: Mr. J. Argent.

The team is to be congratulated on a splendid performance throughout the season, having won all of the 8 matches in the zone competition. The team was successful at the Goulburn Carnival in which it defeated Goulburn and Monaro, and at the Wollongong Carnival was joint winner with Perkeley High. In the Inter-Zone Final the team went down to Berkeley.

The team was ably led by Brian Huds-peth in the backs and by Michael Peedom in the forwards. The boys played as a team at all times, and it would be difficult to single out players deserving of special credit, for they all showed football ability and good sportsmanship.

9.7 "B"

Coach: Mr. R. Stewart.

Although forced to play in the "A" competition, this team led by Noel Perry, had many enjoyable games, the most thrilling being when it defeated Keira 11-0. The most outstanding players were Ian Johnston and Helmut Papson.

8.7 "A"

Coach: Mr. B. Roberts.

The team had a very successful year with a win at the Wollongong Carnival. In the Wollongong Carnival we defeated Berkeley 5-4 and thus won selection for the State Carnival. However, Berkeley turned the tables in the Inter-Zone Final and defeated us 8-2.

The team was very capably led by Terry Churchin who was ably supported by Alan Elliot. Other outstanding players were Harry Brayshaw, Peter Beattie and David Norris. The boys were disappointed that rain caused the abandoning of the State Carnival and they did not have the opportunity of adding a State Championship to their laurels.

8.7 "B"

Coach: Mr. N. Tanner.

Playing in the same competition as the "A" team, the "B" team was outclassed and always short of players. However, invaluable experience was gained by all.

7.7 "A"

Coach: Mr. N. deMestre.

Gary Leonard was moved into the half-back position midway through the season, and gave a good account of himself. He was ably supported by Graham Smith and Kevin Bowman. Graham George was a tower of strength in the forwards and John Bisley could always be relied on to play a solid game. David Thompson improved as hooker and Allan Smith played well at full-back. Congratulations go to Neil Preston for leading the team so well throughout the season.

7.7 "B"

Coach: Mr. A. Day.

The 7.7 "B" had a very poor season, but, in all, 21 players were able to have a game of football. Don Forster, Stephen Spinks and Brian Stephenson were very prominent in the games. Lack of training proved the downfall of the team in most games, but these players will be assets in 1962.

6.7

Coach: Mr. R. Stevenson.

During the season this team showed a remarkable improvement. Consistently defeated early in the season these boys became runners-up in the Northern zone of the competition and runners-up at the Wollongong Carnival.

Ably captained by Peter Sydlarczuk, the team finished with strong forwards led by Graham Chaffey and Darryl Roberts; and sturdy backs headed by Richard Dowse and Dary Haenneker. These boys will go a long way in the school's football.

6.0

Coach: Mr. N. Neal.

This team had an enjoyable football season even though they were the "wooden-spooners", and it was very pleasing to see the excellent improvement made by individual players, and to see, also, the development of a good team spirit.

Diminutive Keith Clarke was a capable and inspiring captain, while most improved players were Peter Hogben, Robert Purdon, David Drummond, Stephen Stringer, Ian Gregory, Clem Kyle and Graham Toulman.

FIRST YEAR SOCCER — 1961

BACK: Mr. R. Randall, Denis Upsall, Paul Gluvchinsky, Garrick David, Ari Kummela, Gerard de Boer, Mr. J. Laidlaw. FRONT: Peter Hills, Neil Masters, Rudolph Roodenrijs, Peter Stanley (Captain), Brian Ward, Ron Rayner.

SOCCER NOTES

Teams were entered in the Open, Under 15 "A", 14 "A", 13 "A" and 13 "B" Divisions. Although not winners in any divisions, our teams gave good accounts of themselves and had wins and draws against most teams.

OPEN DIVISION

Although our team did not come near to winning the competition, excellent football was played by all. Two outstanding matches were played, one against Corrimal High, Zone Premiers, in which we were unlucky to lose 3-2, and the other against Bulli which resulted in a 2-1 victory for us.

Perhaps the highlights of the season were our matches against Jervis Bay Naval College. We lost the first match 3-2 but everyone enjoyed himself and every courtesy was extended to us. We were very impressed by the orderly movement around the "Quarterdeck"; by the fact that squads of cadets moved everywhere "at the double"; and by the beautiful Soccer field on which we played.

It was most unfortunate that on the day of the return match with the Naval College, heavy rain fell. However, we were successful in this match, 5-2. Goal scorers

were H. van der Kooi 2, Philip Beattie 2 and Ron Rayner 1.

We were pleased to have the visiting cadets as guests at our School Social on the evening of that match.

The team would like to extend their thanks to Mr. Laidlaw for assistance in helping to coach us.

UNDER 15 "A"

In a competition of high standard the Under 15 "A" team played with considerably more determination than last year's team, and as a result was never outclassed. The friendly spirit existing within the team made the season an enjoyable one.

The team's best effort was a 1-1 draw against Bulli, Competition winners.

14 "A"

The 14 "A" team contested many close games throughout the season, and was unfortunate in not achieving a better record. All members played hard football, the defence in particular being quite sound.

In this respect mention must be made of goalkeeper-captain, Geoffrey Hine, and full back, Colin Hocking. Others to do well were Alan Thommeny, Denis Meredith, Ian McMasters, and speedy left-winger, Roger Dainton. Centre-forward

John Hassen scored a number of goals.

13 "A"

This team did not have much success, only winning one game and playing one very hard draw.

Our game against Keira, in which we won 1-0, was our hardest and most memorable game. The play was in our half for most of the first half and Keira had many scoring chances. However, we managed to keep them from scoring. In the second half we were fortunate enough to score the winning goal. We were very proud of ourselves for Keira had earlier defeated us 3-1.

13 "B"

Although defeated easily by Corrimal we were pleased with our play against Bulli, especially the match in which we gained a 1-1 draw after being down 1-0 at half-time.

What Happened to Latin?

A question that is often asked is "If the Romans spoke Latin, why don't the modern Italians speak it?"

From this arises the question "What happened to Latin?"

When the mighty Roman Empire collapsed, Italy was overrun by various Gallic, Germanic and Mongolian barbarians and their crude languages had a marked influence on the Latin, then spoken in Italy. During the following centuries the new language was gradually forming. French, Spanish and Greek also had an influence on its growth until it became a cosmopolitan language, a mixture of several different languages. The original Latin became so distorted and changed that it was unrecognizable and thus Italian was born.

Meanwhile, the original Latin, as spoken by the Romans, was still being spoken and written in the monasteries and churches. For many centuries all books were written in Latin. This is the only reason it survived the Dark Ages, when many ancient languages and much of the culture and learning of the Ancient World were discarded and even lost forever. Latin therefore became the language of the Church and was spoken by the Nobles and high class people in Europe as well.

However, as the Church only dealt with ecclesiastical matters, this "Church Latin" was very condensed and did not have many of the commonplace, every-day words used by the Romans. Therefore, it remained to the modern scholars to restore the language to its former glory. They did this with the help of books written by Rome's great authors and poets, whose

manuscripts had also been preserved over the ages by the careful monks.

Thus the language of the "founders of Western Civilisation" has been preserved and handed down to us and through Latin we gain a greater understanding of the culture and knowledge of the master-race who ruled the world with their might and who laid the foundations of our modern civilisation. Rodrick Tier (3A).

WHO

*Who is master
Nature or man?*

*Where the waters run faster
The rivers are harnessed
To furnish with power
The home, and the land.*

*Where the soil is rich,
The crops are planted.
Where the grass grows freely,
The lambs may play.*

*A peaceful scene, shattered
By the roar of brand-new tractors.
The still dry earth shuddered
At the impact, of thundering traffic.*

*Sounds of man intruding
In a hateful, self-centred way.
And yet who can condemn him?
Who has the right to say ?*

*The years have passed by quickly;
The scene has rapidly changed,
Man has taken all he can
From the sun, the soil, the rain.*

*But how has he repaid them?
What recompense has he made?
The answer echoes grimly!
The speaker's lips move numbly!
He could not say!*

*Yes, man is master of nature
But only while nature sleeps,
Then to awaken, with flood and ravage
As over the land in anger she sweeps
All before her, destroying, like a vengeful
savage.*

*Who before such strength shall cower?
Who, victorious above all, shall tower?
Nature or Man?*

SWIMMING

ANNUAL SWIMMING CARNIVAL

We were lucky to have a fine day for our Carnival held at Port Kembla Olympic Pool on 22nd February. We had a great number of entries in all events. This added to the spirit of the day and kept all House Cheer Squads very active.

Flinders were the ultimate winners with 183 points, Bass being close behind with 179 points; Keira were third with 125 and Kembla gained 114 points.

Jeanette Eddy won the Senior Point Score by four points from Sue Hilton; Sacha Pouw, the Intermediate Point Score from Maureen Hynd. Both these girls fought out every race and Sacha just beat Maureen each time. Barbara Downes won the Junior Point Score with Deidre Morthorpe close behind her.

Only one record was broken during the day, that being the Senior Relay by Bass House.

P.S.A.A.A. CARNIVAL

Thirteen girls represented the school at this Carnival held at Port Kembla Olympic Pool on the 8th and 9th of March. Smith's Hill had a very strong team and won the day in the girls' section. We were third behind Kiama.

Jeanette Eddy won the 15 Years Championship and our Senior Relay Team just failed to break the record in winning the event.

C.H.S. CARNIVAL

Jeanette Eddy, Carla Lambeck, Sue Hilton, Sacha Pouw and Maureen Hynd represented our school at the Sydney Carnival on the 22nd and 23rd of March.

We had a very exhausting two days and the girls swam exceedingly better times than they had at the Zone Carnival. Although we did not gain any places the girls gained valuable experience from the trip. The girls realised from this Carnival that more intensive training is needed to meet such a high standard, but just the same we enjoyed competing which, after all, is the main object.

GIRLS' ATHLETICS

ANNUAL ATHLETICS CARNIVAL

The day started off very dull and wet but the afternoon managed to keep dry. Nearly every girl entered the Carnival for which I was very pleased and this made the day interesting for all.

Bronwyn Hargreaves created a record in the Junior Championship of 9.5 seconds for 75 yards, while Sharyn Byrne broke the 12 years record. Jennifer Smith shattered the Junior Javelin Record by a considerable distance and Celia Cracknell broke the Senior Javelin Record comfortably.

Kay Johnson of Bass House, won the Sub-Junior Point Score while Jennifer Smith of Kembla House won the Junior Point Score from Jill Bunning and Bronwyn Hargreaves by one point. Christine Davies of Bass House proved herself easily the Senior Champion of the day but Eileen Moyes should also be highly commended in this division.

Bass won the Girls' Point Score by three points from Flinders House, Bass gaining 295 points to Flinders' 292. Kembla was third with 231 and Keira fourth with 122.

P.S.A.A.A. CARNIVAL

After a beautiful day for the heats Wollongong and Nowra were close together for the combined Point Score. The second day dawned very miserably and grew worse as the day moved on.

Our girls did well and for the second day had representatives in every final except one. Apart from the Relays we pushed through the day, with Nowra winning the Girls' Point Score, Smith's Hill second and Wollongong third with Dapto close behind us.

We gained many places in the combined Illawarra Team to compete in Sydney in Third Term and the girls trained admirably throughout.

AUSTRALIA

*Who loves it not, has seen it not,
The wide brown country free,
The turquoise sky, the mountains high,
The tall and steady tree,
The everchanging faces?
I have no wish for more.
If only one could see her now,
The land of love and awe.*

—Jennifer Irons (2GL).

COMBINED HIGH SCHOOLS

This year the C.H.S. Carnival was run on a Zone basis with each Zone sending its best representatives for each event. Twenty-three of our girls were among the seventy-odd sent from the Illawarra and Nowra Zone. These included four teams events, the three relays and Captain Ball and twelve individual events.

Most girls managed a semi-final, with Christine Davies reaching the final of the Open Broad Jump with a jump of 16 ft.; Magadalene Giroussis contesting the final of the Junior Shot Put; the Junior Relay team gaining sixth in the final; and the Captain Ball team finishing a grand third.

Members of the Captain Ball team were Jill Bunning, Celia Cracknell, Elizabeth Buckland, Jennifer Smith, Pam Scoble, Sue Strachan, Carolyn Sharpe, Kay Jaffrey and reserve Toni Roberts.

It was a very pleasing performance and we all look forward to some good athletics from the girls' department in the future.

BALL GAMES

After our school team successfully took off the honours at the Combined Athletics Carnival the girls had added enthusiasm when we spent one Sports Afternoon in an Inter-Class Competition. Captain Ball, Tunnel Ball and Under-and-Over Ball Competitions were held this day with the following results:—

1B won the First Year Captain Ball with 2D, 3A and 4B being the other winners. 1B, 2C won the Tunnel with 3B and 3D tying and both 4A and 4B gained equal points. In the Under and Over Ball 1A, 2D and 3B and 4B were the winners.

In the finals 3A won the Captain Ball, 2C the Tunnel Ball and 2D the Under-and-Over Ball.

THE CITY

*Towering buildings, filthy streets
Where man admires his scrawny feats
And down below, a creeping serpent,
The traffic moves, in seething ferment.
But through a picture on the wall
I see a landscape with no pall.
Here the Spring can cheer the people,
From the farm to the Church's steeple.*

BASKETBALL

Twelve teams were entered in the local competition, giving many girls the opportunity of playing competition Basketball. Four teams were entered in each of the three divisions: namely, Senior, Second Year and First Year.

Our First Years were overwhelmed during the season and in many cases lacked the team work necessary for a team sport.

The Second Years however, were more successful, the A Team reaching the Zone final to play Corrimal. They won this match 24-20 in a most exciting and extremely close game. The team then went on to play Dapto in the Inter-Zone Final and was again successful, the score being 23-12. This team worked steadily and well throughout the season. Our other teams

had their wins and losses but always had a fighting spirit up till the last moment.

We were glad to see a very closely contested Senior Division and when the final came around, every team played well. Our A1 Team was defeated by Bulli A1, by 27-15 while our B1 enjoyed a comfortable win over Bulli B1 by 24-15. This latter team went through the competition undefeated and after Bulli they met Kiama in the Inter-Zone Final, the final score being 20-0 in our favour.

The girls enjoyed their Basketball season and we must thank Miss Bowman, Miss Dunn and Miss Best for their umpiring and interest in their teams. Especially we thank Miss Bowman for her most successful coaching of the Second Year teams and her willingness to coach them each week.

SENIOR "B1" — UNDEFEATED INT ER-ZONE BASKETBALL PREMIERS

BACK: Lesley Millard, Sandra Kolsky, Anne Finlayson, Pauline Day.
FRONT: Sondra James, Maureen Hynd (Captain), Joan Haebich (Vice-captain).

SECOND YEAR "A" BASKETBALL — INTER-ZONE PREMIERS

Miss J. Bowman, Beverley Lewis (Captain), Denise Peters, Robyn Harrod, Lynnette Benham, Kay Jaffrey, Magdalena Giroussis, Jan Llewellyn, Sue Strahan.

SENIOR "A" SOFTBALL — UNDEFEATED PREMIERS

BACK: Vivienne Muir, Christine Tomlin, Janette Montgomery, Barbara Dixon. FRONT: Mr. N. de Mestre (Coach), Roslyn Newall, Kirsten Ommer (Captain), Jennifer Farmer, Kay Nevison, Christine Davies.

SOFTBALL

In the local competition we entered five teams which consisted of two teams in the Open Division, one in the Second Year Division, and two in the First Year group.

Our Open A and Second Year Teams reached the Zone finals with our Open A reaching the Inter-Zone finals and being the ultimate winners.

The First Year Teams battled bravely throughout the competition with the valuable help of Miss LeMessurier and some Third Year girls coaching them and although unsuccessful in many matches nevertheless have gained the Softball enthusiasm always noticeable in our other teams.

The Second Year Team worked well as a team and trained at every opportunity to bring themselves from well down to second position in the competition. These girls certainly had enthusiasm and fought well in the Zone final against Bulli who proved themselves unbeatable. Well done, Second Year.

Both our Open Teams had a mixture of

Senior and Junior girls and were hard to beat at any time. The A Team went right through the season undefeated and was fortunate in the latter part of the season to have the assistance of Mr. DeMestre in coaching them.

The Inter-Zone final played against Berkeley finished 32-7 with our girls only having six innings and this day they proved that team work is certainly the only way to play for they backed up each other no matter what the play. Congratulations, girls — well done.

TENNIS

A few Fourth Year girls and several Third Years took Tennis as their winter sport. All had some very enjoyable Social Afternoons.

During summer Fifth Year had the option of Tennis and about twenty girls took the opportunity of furthering their Tennis interests.

We are grateful for the loan of both Stuart Park and Bourke Street Courts and hope to further the School's interest in this sport.

OPEN "A" HOCKEY — INTER-ZONE PREMIERS

BACK: Mr. D. Bayly (Coach), Sheila Robson, Jill Bunning, Sue Bannister, Carla Lambeck (Vice-captain), Mary Wingrave. **FRONT:** Roslyn McEvoy, Frances Horsfall, Anne Rose (captain), Lorraine Newell, Jennifer Spearing, Eileen Moyes.

HOCKEY

We were thrilled with the success the teams had this year and with the overall co-operation of every member. Much credit is due to the coaching of Mr. Bayly and the captaincy of Anne Rose in the A Team and Pauline Dickinson in the B Team.

The three A Teams in the Northern Zone were very even and it was not until the very last match of the season that the teams in the final were divided. The final between Corrimal and ourselves was one of the most even matches seen this season with Wollongong only clinching the final in the last five minutes, winning by 2 goals to 1.

Credit must also be paid to our B Team which put up a grand fight throughout the season and headed the B teams from the other schools. Congratulations every member of the B Team.

The Inter-Zone final was played between Dapto and Wollongong and this too was an extremely fast game. The match ended 4-3 in favour of Wollongong after some

spectacular forward line movements from both sides. Our A Team certainly excelled themselves this day and we congratulate every member most sincerely.

The basis of our teams originally came from the untiring work of Miss Giles out at Unanderra each Wednesday afternoon. Once again this year we must thank her for continuing this most valuable coaching. We are also most grateful for the help of the Hockey Association in providing umpires at various matches.

Five of our girls attended the Annual Hockey Coaching Camp at Narrabeen. From this weekend Anne Rose, Jennifer Spearing and Jill Bunning gained selection for further trials for the State and Country Teams. The girls played well to last till the last few in this next trial with Jennifer Spearing gaining the position of Captain of the Country Team. This is a most creditable performance for a Third Year Girl and we look forward to a great Hockey future for Jennifer.

Our A Team also had a grand day at the State Carnival and played creditably.

IN APPRECIATION

We, the Students and Staff of Wollongong High, consider our School important to the community. We are grateful therefore, when the community considers us important enough to come to our assistance when we need materials, labour, advice, donations and even merely attendance.

To all our good friends we say: **THANK YOU!** Please continue to assist. Please pardon us if we have failed to thank you personally.

The P. and C. Auxiliary and the Ladies' Auxiliary with their Grounds Committee, Welfare Committee, Social Committee and Publicity Committee — too many willing workers to mention by name — have earned our thanks for untiring efforts.

Mr. H. Peedom as P. and C. President and Adjudicator of our Public Speaking Contests and Mrs. S. Gole as President of the Ladies' Auxiliary, have earned a special "Thank You!"

Our thanks go also to those who have honoured us by attending our School Functions: Mr. and Mrs. R. F. Connor; Mr. H. Fowles, M.L.A.; the Mayor, Alderman Squires (an Honorary Prefect of the School) and Mrs. Squires; Mr. M. C. Clayton (Area Director); Mr. D. Shell (Area Inspector); Mr. A. Buchan (Area Secondary Inspector); Mr. S. G. Wauchop (Inspector of Schools); Mr. Devitt; Mr. and Mrs. David; Mrs. Kelly (Soroptimist Club); Mrs. Whittle (C.W.A.).

The students wish to thank Guest Speakers throughout the past twelve months:—

Dr. Clair Isbister (Speech Night); Dr. Kettle (on Russia); Mr. N. Fosse (Bank Education Service); Mr. W. Dyer (Anzac Day); Mr. Woodcock (Road Safety); Major Harman (Dangerous Weapons); Lieut. Farthing (R.A.N.); Constable Gibson (Police Safety Bureau), and all those members of the Ministers' Fraternal who have addressed the Morning Service.

To these people and organizations, too, we owe a debt of gratitude: The Commander and Staff of 11 Cadet Battalion, W.O.2 B. Graham and Mr. A. Pollard for assistance to the Cadets.

The Management of A.I.S. for its assistance to the School, especially in the matter of arranged visits.

J. Lysaght and Co. for the use of its well-prepared Oval for the Athletics Carnival and Mr. Buck Tobin for assistance.

The kind donors of trophies.

Wollongong Garden Club for advice in beautifying the grounds.

The "Illawarra Mercury" and the "South Coast Times" for favourable notice of our activities.

Barnes Darling Pty. Ltd., for the loan of furniture on Play Day.

The various Bus Companies for co-operation under difficulties.

David Jones and Co. (Our old friends W. Lance and Co.) for assistance.

Mrs. J. Hilliar for kindness in organising fortnightly meetings between our Senior Students in German and members of the German-speaking community.

Mrs. J. E. Lenehan for teaching typing to our senior girls.

Mrs. Lawrence for interest and assistance beyond that of Canteen Manageress.

Mrs. G. Duncan, of Bowral, for donation of library books.

The Women's Hockey Association for their assistance at Hockey Matches.

Our Parents who assist at the Leaving Certificate Examinations and Intermediate Certificate Examinations.

Those who have assisted the Editor may be last on the list but first in the Editor's affections. The Editor's thanks go to the Fourth Year Students who have helped to make "THE GLEAM" possible by soliciting donations; the kind people who have given donations; the Editorial Committee and students who have provided material, even if not selected; the School Clerical Staff for willing help; and to the printing Staff of the "Illawarra Mercury".

News of Mr. Bingham

Students and ex-students will be pleased to hear from Mr. J. Bingham who retired at the end of 1960 and left for a twelve months' overseas tour.

Hampton Court,
6th August, 1961.

"We've just returned from 17 days in Denmark and Norway which we found the most interesting of all continental countries visited. We went this time without the car. Leaving via Harwich and Hook of Holland, we then went by night train to Copenhagen. After 3½ days in Copenhagen we went to Oslo, north to Andalus and down the fiords to Bergen and back over the North Sea to Newcastle and London.

In Copenhagen we had a round-the-city tram trip and a canal trip in which we saw the famous mermaid. The church and public buildings are unusual. One formed the twisted tails of dragons.

We saw a TV programme which was in both Norwegian and English. Norway is almost bi-lingual. English is used in almost all public places and is spoken very freely. We hardly felt that we were in a

foreign country at all. Andalus is entirely new, having been totally destroyed in the invasion in 1941 as a lesson to the Norwegians. They have not forgotten, either, for you see in various places monuments to those who died in the Occupation period. Norwegian roads are very narrow and hairpin bends are a specialty.

In this letter Mr. Bingham describes visits to Geiranger and Gudvangen fiords and to Bricksdal glacier, and tells of the previous 2½ weeks spent in the South-West of England. Here he saw Nelson's "Victory" at Portsmouth; admired the beautiful rolling hills and patchwork of fields and crops in Dorset and Devon; had his first (and last, he hopes) encounter with week-end traffic at Exeter; visited St. Ives, Tintagel, Clovelly, Lynton, Porlock, Taunton (associated with the Monmouth Rebellion and Hanging Judge Jeffreys and the burning of the cakes by Alfred), Glastonbury Abbey which is supposed to contain the graves of Alfred and Arthur and the nearby lake where Arthur's sword was supposedly thrown.
